ORDER

Pending before the Court in the above referenced cases is Plaintiffs' joint motion for status conference regarding the third-party action filed in *Newby* by the former outside directors of Enron and the subsequent motion to implead certain insurance proceeds of the Ernon D&O policies to fund a proposed partial settlement.

Rather than hold a separate hearing, for judicial economy the Court will address these parties' concerns at the hearing on these matters and on the proposed preliminary injunction, currently scheduled on December 8, 2004 at 1 p.m. in Courtroom 9C. Therefore the Court hereby

ORDERS counsel for all concerned parties shall appear then to express their views. The Court further

ORDERS that any briefs that these parties wish to submit relating to the proposed settlement and preliminary injunction shall be filed no later than December 6, 2004, with a courtesy copy to be sent simultaneously to chambers. The joint motion for status

conference is MOOT.

SIGNED at Houston, Texas, this 29th day of November, 2004.
