

FTR Player Plus™

Audio files provided by the **U.S. Districts Courts** on CD-ROM require the FTRPlayer Plus™ program to be installed on a computer to listen to an audio recording. A copy of this free software made available to you by FTRGold™ has been copied to the CD-ROM you have purchased from the **U.S. District Courts** along with the requested audio recordings. This program is also available as a free download from the FTR Gold™ website, located at www.FTRGold.com.

Minimum System Requirements

As with any software, there are minimum hardware and software requirements, which need to be in place prior to installing and using FTR Player Plus software.

- 166 MHz Intel Pentium processor
- 48 Mb RAM
- Microsoft Windows 95/98, Windows 2000 (SP1 or later) or NT 4.0 (SP5 or later)
- Windows compatible, full duplex stereo sound card
- 256-color 800x600 video display adapter and monitor

Installing FTR Player Plus

1. Insert the CD into your CD-ROM drive in your computer.
2. Double-click on the MY COMPUTER icon on your desktop.
3. Double-click on the Drive letter that is associated with your CD-ROM drive.
For example: D:
4. Double-click on the FTR Player Plus icon to begin installation.
5. In the Welcome dialog box click NEXT to continue.
6. Click YES to agree to the license agreement
7. In the following Destination Folder dialog box accept the default destination folder or click browse to locate another folder.
8. Click the Next button to display the Select Program Folder dialog box. This represents how FTRPlayer Plus is listed on the Programs menu. The Default is FTRGold
9. Click the Next button to accept the default setting and default setting and display the Start Installing Files dialog box.
10. Click the Next button to begin copying the program files. When the copy process is complete, click the Finish button to end the installation process.

STARTING FTR Player Plus

You Must open the audio files using the FTR Player Plus™ software . You can not open the files by double clicking on the files while browsing the CD-ROM.

- Open FTR Player Plus™ program by double-clicking the icon on the Windows desktop or going to the Start Programs menu.
- Click the Open Audio button (yellow file folder) on the Playback Panel to display the Open Audio dialog box.
- In the left hand Folders/Drives window browse to select your CD-ROM drive and highlight the drive.
- In the Location/Days window you will see a list of days requested by the US District Courts office. Highlight the day and Press the OPEN button.

A copy of the [FTR Player Plus™ User's Guide](#) is provided on the CD-ROM in Adobe Acrobat™ format.
