Exhibit "A" to the Affidavit of Bonnie J. White is an index of documents produced on Enron's behalf to government investigators. Due to its volume, Exhibit "A" to the Affidavit of Bonnie J. White has been filed with the court in a separate black three-ring binder. This page has been inserted in the cover of the binder and has been placed on top of the first page of the index itself. Because of its volume the index has not been served to the parties, but is available to any party upon request.
