**SECTION B - SUPPLIES OR SERVICES AND OFFEROR'S PRICES**

The United States District Court for the Southern District of Texas is soliciting a vendor to provide substance abuse, mental health, and/or sex offender treatment services. A Vendor must be capable of providing services within a geographic area encompassing Victoria County, Texas (Male & Female).

As a result of this solicitation the Government intends to enter into a Blanket Purchase Agreement (BPA). For this BPA, approximately 1 to 2 vendors are needed to provide the required services. The Government reserves the right to award to a single vendor.

A Blanket Purchase Agreement is a “charge account” arrangement, between a buyer and a seller for recurring purchases of services. BPAs are not contracts and do not obligate government funds in any way. A contract occurs upon the placement of a call or referral from the Probation/Pretrial Services Office and the vendor’s acceptance of the referral. Referrals will be rotated among all the vendors on the BPA. BPAs are valid for a specific period of time, not to extend beyond the current fiscal year. The total duration of this BPA, including the exercise of two 12-month options, shall not exceed 36 months. BPAs will be issued to those vendors determined to be technically acceptable and offering the lowest cost to the Government, using the Evaluation Criteria established in Section M of the Request for Proposal.

Section B is generic and used nationwide to procure the particular needs of each U. S. Probation/Pretrial Services Office. For this solicitation, only those services marked by an "X" under the Required Services column are being solicited. Offerors shall propose on only the required services. Services proposed, but not marked as required, will not be evaluated or included under any resultant agreement. Offerors failing to provide offers on all required services marked, will be considered technically unacceptable.

Note: Estimated Monthly Quantities (EMQs) represent the total monthly quantities to be ordered per Service item under the BPA. Each vendor placed on the BPA may receive a share of the total quantity stated. However, EMQ’s are estimates only and do not bind the government to meet these estimates.

An asterisk \* indicates a requirement line item which has been modified under “Local Services.”

The Criminogenic Needs and Violence Curriculum (CNVC) is curriculum that has been developed by the U.S. Courts in consultation with leading subject matters experts in the field as a comprehensive and cohesive set of materials that can be used by officers and treatment providers to teach persons under supervision the skills necessary to change their faulty thinking, steer clear of antisocial peers and develop prosocial networks, maintain employment and address educational deficits, address alcohol/drug use, and recognize triggers to violence and refrain from violent behaviors. The curriculum includes supporting manuals developed for each dynamic risk factor (cognitions, social networks, education/employment, drugs/alcohol) and the propensity for violence for those persons under supervision, with specific manuals designed for the probation officer, the person under supervision, support networks, and treatment providers. Treatment provider manuals are set up with an introduction to the curriculum, a roadmap of how to use the curriculum, a core sessions chart to determine which meetings to prioritize, a manual outline, and a series of sessions that include a check-in, review, intervention and homework. Each session includes group and individual delivery options.

E-learning has been created for Treatment Providers that will cover the curriculum overview, curriculum domains, provider manual, principles of effective intervention, and curriculum tools. The e-learning takes approximately five hours to complete, with a required 75% proficiency passing score required of each person who will use the curriculum.

CNVC is not yet available for use with the Probation Office. It is estimated to be available some time during fiscal year 2020. Within 30 days of the Probation Office notifying the vendor of implementation of the CNVC, the counselor(s) providing counseling services shall complete the on-line e-learning training on use of the CNVC materials. Each counselor shall score at least 75% on each testing component and provide a copy of the training certificates to the contracting officer.

In addition to the short-term residential treatment curriculum, counselors should utilize the CNVC materials with persons under supervision based on the dynamic risk factors identified for that individual in the Post Conviction Risk Assessment tool. Applicable course materials are available at no cost for download from the internet. The vendor shall provide persons under supervision with the applicable course materials utilized during each of the sessions (i.e. homework, samples, etc.), and any reproduction costs shall be included in the price for service.

**SECTION I - REQUIRED CLAUSES****I.1 Clause 7-30, Public Use of the Name of the Federal Judiciary - (JUN 2014)**

- (a) The contractor shall not refer to the judiciary, or to any court or other organizational entities existing thereunder (hereinafter referred to as "the judiciary"), in advertising, news releases, brochures, catalogs, television and radio advertising, letters of reference, web sites, or any other media used generally by the vendor in its commercial marketing initiatives, in such a way that it represents or implies that the judiciary prefers or endorses the products or services offered by the contractor. This provision will not be construed as limiting the contractor's ability to refer to the judiciary as one of its customers when providing past performance information as part of a proposal submission, as opposed to general public marketing.
- (b) No public release of information pertaining to this contract will be made without prior judiciary written approval, as appropriate, and then only with written approval of the contracting officer.

**I.2 Subcontracting**

Services that the vendor proposes to refer to other service providers shall be considered subcontracting. The vendor (prime contractor) may subcontract the provision of treatment services to other service providers (subcontractors). After award, any proposed subcontractor arrangements or changes to the existing subcontractor arrangements are subject to the Contracting Officer's approval, and shall be submitted in writing to the Contracting Officer at least 30 days in advance of the proposed subcontracting arrangement or change. The Contracting Officer will respond promptly with written approval or disapproval. The prime contractor shall not refer defendants/offenders to any other vendor that has not been approved by the Contracting Officer in writing. The government reserves the right to revoke approval of any subcontractor at any time that does not meet the requirements of this contract/agreement.

The prime contractor is responsible to the judiciary for overall performance of the services required under this contract/agreement. If any services are subcontracted, the prime contractor shall ensure that the subcontractor is complying with the requirements of this contract/agreement, including the qualifications of any personnel providing services; the possession and maintenance of all appropriate state and local licenses in compliance with state and local regulations; and the appropriate documentation demonstrating compliance with all federal, state and local fire, safety and health codes. The prime contractor shall ensure that subcontractors are not debarred, suspended, or ineligible to perform under federal contracts.

A subcontractor has no contractual rights, known as privity of contract, against the judiciary. However, the subcontractor may have rights against the prime contractor.

Upon contract termination, the contractor must, except as otherwise directed by the CO, terminate all subcontracts to the extent that they relate to performance of the work terminated.

**I.3. Clause 2-90D, Option to Extend the Term of the Contract - (APR 2013)**

- (a) The judiciary may extend the term of this contract by written notice to the contractor no later than 30 calendar days prior to the contract's expiration date; provided that the judiciary gives the contractor a preliminary written notice of its intent to extend at least 60 calendar days before the contract expires. The preliminary notice does not commit the judiciary to an extension.
- (b) If the judiciary exercises this option, the extended contract shall be considered to include this option clause.
- (c) The total duration of this contract, including the exercise of any options under this clause, shall not exceed 3 years.

**I.4 Clause 2-90C, Option to Extend Services - (APR 2013)**

The judiciary may require continued performance of any services within the limits and at the rates specified in the contract. These rates may be adjusted only as a result of revisions to prevailing labor rates provided by the Secretary of Labor. The option provision may be exercised more than once, but the total extension of performance hereunder shall not exceed 6 months. The contracting officer may exercise the option by written notice to the contractor no later than 30 calendar days prior to contract's current expiration date.

**I.5 Clause B-5 Clauses Incorporated by Reference - (SEP 2010)**

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors, applies to all contracts subject to the Service Contract Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is the victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at [www.dol.gov/whd/govcontracts](http://www.dol.gov/whd/govcontracts).

ALL OCCUPATIONS LISTED ABOVE RECEIVE THE FOLLOWING BENEFITS:

HEALTH & WELFARE: \$4.41 per hour or \$176.40 per week or \$764.40 per month

HEALTH & WELFARE EO 13706: \$4.13 per hour, or \$165.20 per week, or \$715.87 per month\*

\*This rate is to be used only when compensating employees for performance on an SCA-covered contract also covered by EO 13706, Establishing Paid Sick Leave for Federal Contractors. A contractor may not receive credit toward its SCA obligations for any paid sick leave provided pursuant to EO 13706.

VACATION: 2 weeks paid vacation after 1 year of service with a contractor or

successor; and 3 weeks after 8 years. Length of service includes the whole span of continuous service with the present contractor or successor, wherever employed, and with the predecessor contractors in the performance of similar work at the same Federal facility. (Reg. 29 CFR 4.173)

HOLIDAYS: A minimum of ten paid holidays per year: New Year's Day, Martin Luther King Jr.'s Birthday, Washington's Birthday, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans' Day, Thanksgiving Day, and Christmas Day. (A contractor may substitute for any of the named holidays another day off with pay in accordance with a plan communicated to the employees involved.) (See 29 CFR 4.174)

THE OCCUPATIONS WHICH HAVE NUMBERED FOOTNOTES IN PARENTHESES RECEIVE THE FOLLOWING:

1) COMPUTER EMPLOYEES: Under the SCA at section 8(b), this wage determination does not apply to any employee who individually qualifies as a bona fide executive, administrative, or professional employee as defined in 29 C.F.R. Part 541. Because most Computer System Analysts and Computer Programmers who are compensated at a rate not less than \$27.63 (or on a salary or fee basis at a rate not less than \$455 per week) an hour would likely qualify as exempt computer professionals, (29 C.F.R. 541.400) wage rates may not be listed on this wage determination for all occupations within those job families. In addition, because this wage determination may not list a wage rate for some or all occupations within those job families if the survey data indicates that the prevailing wage rate for the occupation equals or exceeds \$27.63 per hour conformances may be necessary for certain nonexempt employees. For example, if an individual employee is nonexempt but nevertheless performs duties within the scope of one of the Computer Systems Analyst or Computer Programmer occupations for which this wage determination does not specify an SCA wage rate, then the wage rate for that employee must be conformed in accordance with the conformance procedures described in the conformance note included on this wage determination.

Additionally, because job titles vary widely and change quickly in the computer industry, job titles are not determinative of the application of the computer professional exemption. Therefore, the exemption applies only to computer employees who satisfy the compensation requirements and whose primary duty consists of:

- (1) The application of systems analysis techniques and procedures, including consulting with users, to determine hardware, software or system functional specifications;
- (2) The design, development, documentation, analysis, creation, testing or modification of computer systems or programs, including prototypes, based on and related to user or system design specifications;
- (3) The design, documentation, testing, creation or modification of computer programs related to machine operating systems; or
- (4) A combination of the aforementioned duties, the performance of which requires the same level of skills. (29 C.F.R. 541.400).

2) AIR TRAFFIC CONTROLLERS AND WEATHER OBSERVERS - NIGHT PAY & SUNDAY PAY: If you work at night as part of a regular tour of duty, you will earn a night differential and receive an additional 10% of basic pay for any hours worked between 6pm and 6am. If you are a full-time employed (40 hours a week) and Sunday is part of your regularly scheduled workweek, you are paid at your rate of basic pay plus a Sunday premium of 25% of your basic rate for each hour of Sunday work which is not overtime (i.e. occasional work on Sunday outside the normal tour of duty is considered overtime work).

**\*\* HAZARDOUS PAY DIFFERENTIAL \*\***

An 8 percent differential is applicable to employees employed in a position that represents a high degree of hazard when working with or in close proximity to ordnance, explosives, and incendiary materials. This includes work such as screening, blending, dying, mixing, and pressing of sensitive ordnance, explosives, and pyrotechnic compositions such as lead azide, black powder and photoflash powder. All dry-house activities involving propellants or explosives. Demilitarization, modification, renovation, demolition, and maintenance operations on sensitive ordnance, explosives and incendiary materials. All operations involving re-grading and cleaning of artillery ranges.

A 4 percent differential is applicable to employees employed in a position that represents a low degree of hazard when working with, or in close proximity to ordnance, (or employees possibly adjacent to) explosives and incendiary materials which involves potential injury such as laceration of hands, face, or arms of the employee engaged in the operation, irritation of the skin, minor burns and the like; minimal damage to immediate or adjacent work area or equipment being used. All

operations involving, unloading, storage, and hauling of ordnance, explosive, and incendiary ordnance material other than small arms ammunition. These differentials are only applicable to work that has been specifically designated by the agency for ordnance, explosives, and incendiary material differential pay.

**\*\* UNIFORM ALLOWANCE \*\***

If employees are required to wear uniforms in the performance of this contract (either by the terms of the Government contract, by the employer, by the state or local law, etc.), the cost of furnishing such uniforms and maintaining (by laundering or dry cleaning) such uniforms is an expense that may not be borne by an employee where such cost reduces the hourly rate below that required by the wage determination. The Department of Labor will accept payment in accordance with the following standards as compliance:

The contractor or subcontractor is required to furnish all employees with an adequate number of uniforms without cost or to reimburse employees for the actual cost of the uniforms. In addition, where uniform cleaning and maintenance is made the responsibility of the employee, all contractors and subcontractors subject to this wage determination shall (in the absence of a bona fide collective bargaining agreement providing for a different amount, or the furnishing of contrary affirmative proof as to the actual cost), reimburse all employees for such cleaning and maintenance at a rate of \$3.35 per week (or \$.67 cents per day). However, in those instances where the uniforms furnished are made of "wash and wear" materials, may be routinely washed and dried with other personal garments, and do not require any special treatment such as dry cleaning, daily washing, or commercial laundering in order to meet the cleanliness or appearance standards set by the terms of the Government contract, by the contractor, by law, or by the nature of the work, there is no requirement that employees be reimbursed for uniform maintenance costs.

**\*\* SERVICE CONTRACT ACT DIRECTORY OF OCCUPATIONS \*\***

The duties of employees under job titles listed are those described in the "Service Contract Act Directory of Occupations", Fifth Edition (Revision 1), dated September 2015, unless otherwise indicated.

**\*\* REQUEST FOR AUTHORIZATION OF ADDITIONAL CLASSIFICATION AND WAGE RATE, Standard Form 1444 (SF-1444) \*\***

**Conformance Process:**

The contracting officer shall require that any class of service employee which is not listed herein and which is to be employed under the contract (i.e., the work to be performed is not performed by any classification listed in the wage determination), be classified by the contractor so as to provide a reasonable relationship (i.e., appropriate level of skill comparison) between such unlisted classifications and the classifications listed in the wage determination (See 29 CFR 4.6(b)(2)(i)). Such conforming procedures shall be initiated by the contractor prior to the performance of contract work by such unlisted class(es) of employees (See 29 CFR 4.6(b)(2)(ii)). The Wage and Hour Division shall make a final determination of conformed classification, wage rate, and/or fringe benefits which shall be paid to all employees performing in the classification from the first day of work on which contract work is performed by them in the classification. Failure to pay such unlisted employees the compensation agreed upon by the interested parties and/or fully determined by the Wage and Hour Division retroactive to the date such class of employees commenced contract work shall be a violation of the Act and this contract. (See 29 CFR 4.6(b)(2)(v)). When multiple wage determinations are included in a contract, a separate SF-1444 should be prepared for each wage determination to which a class(es) is to be conformed.

The process for preparing a conformance request is as follows:

- 1) When preparing the bid, the contractor identifies the need for a conformed occupation(s) and computes a proposed rate(s).
- 2) After contract award, the contractor prepares a written report listing in order the proposed classification title(s), a Federal grade equivalency (FGE) for each proposed classification(s), job description(s), and rationale for proposed wage rate(s), including information regarding the agreement or disagreement of the authorized representative of the employees involved, or where there is no authorized representative, the employees themselves. This report should be submitted to the contracting officer no later than 30 days after such unlisted class(es) of employees performs any contract work.
- 3) The contracting officer reviews the proposed action and promptly submits a report of the action, together with the agency's recommendations and pertinent

information including the position of the contractor and the employees, to the U.S. Department of Labor, Wage and Hour Division, for review (See 29 CFR 4.6(b)(2)(ii)).

4) Within 30 days of receipt, the Wage and Hour Division approves, modifies, or disapproves the action via transmittal to the agency contracting officer, or notifies the contracting officer that additional time will be required to process the request.

5) The contracting officer transmits the Wage and Hour Division's decision to the contractor.

6) Each affected employee shall be furnished by the contractor with a written copy of such determination or it shall be posted as a part of the wage determination (See 29 CFR 4.6(b)(2)(iii)).

Information required by the Regulations must be submitted on SF-1444 or bond paper.

When preparing a conformance request, the "Service Contract Act Directory of Occupations" should be used to compare job definitions to ensure that duties requested are not performed by a classification already listed in the wage determination. Remember, it is not the job title, but the required tasks that determine whether a class is included in an established wage determination. Conformances may not be used to artificially split, combine, or subdivide classifications listed in the wage determination (See 29 CFR 4.152(c)(1)).

In Section A, page 1 is the **Solicitation/Offer/Acceptance**. The offeror must fill out the following blocks on the form:

- (1) Block 8, as instructed on the form.
- (2) Block 9, discount for prompt payment, if applicable.
- (3) Block 10, acknowledgment of amendments.
- (4) Block 11, name and address of offeror.

#### Section B - Submission of Prices

##### (1) Services

The offeror must provide a response to every requested service item.

##### (2) Prices

The prices submitted must reflect the requirements of the Statement of Work for each project code requested as well as all terms and conditions of the contract that relate to that service item.

##### (3) Acceptable Responses

###### (a) Unit Price

Sliding price scales will not be accepted by the Government. The price will reflect the unit as defined in Section B and the Statement of Work for each project code.

(b) **"N/C" = No Charge**

For any item that the offeror will provide without charge or without additional charge, the offeror shall insert "N/C" in the Unit Price column of Section B.

(c) **Subcontracting**

For service items that the offeror will be subcontracting, the offeror shall insert the letter "S" following the price inserted in the Unit Price column. Services referred to another vendor shall be considered subcontracting and shall require the "S" designation.

(d) **Prices and "No Shows"**

Offerors may factor the price of client "No Shows" for prescheduled appointments into the unit prices for the project codes listed in G.3. **It is estimated that clients fail to appear for prescheduled individual services approximately 5% of the time, although specific services may experience a higher rate of "no shows".**

(4) **Estimated Monthly Quantity**

The figures provided in the Estimated Monthly Quantity column of Section B are estimates of the frequency that the services will be required. These figures are estimates only and the government is not bound to meet these estimates.

## L.2 Provision 3-100, Instructions to Offerors - (APR 2013)

- (a) *Definitions* As used in this provision:  
"Discussions" are negotiations that occur after establishment of the competitive range that may, at the contracting officer's discretion, result in the offeror being allowed to revise its offer.  
In writing, "writing," or "written" means any worded or numbered expression that can be read, reproduced, and later communicated, and includes electronically transmitted and stored information.  
"Offer modification" is a change made to an offer before the solicitation's closing date and time, or made in response to an amendment, or made to correct a mistake at any time before award.  
"Offer revision" is a change to an offer made after the solicitation closing date, at the request of or as allowed by a contracting officer as the result of negotiations.  
"Time," if stated as a number of days, is calculated using calendar days, unless otherwise specified, and will include Saturdays, Sundays, and legal holidays. However, if the last day falls on a Saturday, Sunday, or legal holiday, then the period will include the next working day.
- (b) *Amendments to solicitations* If this solicitation is amended, all terms and conditions that are not amended remain unchanged. Offerors shall acknowledge receipt of any amendment to this solicitation by the date and time specified in the amendment(s). An offeror's failure to acknowledge amendments affecting price, quantity, quality or delivery may result in the offeror's proposal being determined unacceptable where award is made without discussions.
- (c) *Submission, modification, revision, and withdrawal of offers*
- (1) Unless other methods (e.g., electronic commerce or facsimile) are permitted in the solicitation, offers and modifications to offers shall be submitted in paper media in sealed envelopes or packages (i) addressed to the office specified in the solicitation, and (ii) showing the time and date specified for receipt, the solicitation number, and the name and address of the offeror. Offerors using commercial carriers shall ensure that the offer is marked on the outermost wrapper with the information in paragraphs (c)(1)(i) and (c)(1)(ii) of this provision.
  - (2) The first page of the offer shall show:
    - (i) the solicitation number;
    - (ii) the name, address, and telephone and facsimile numbers of the offeror (and electronic address if available);
    - (iii) a statement specifying the extent of agreement with all terms, conditions, and provisions included in the solicitation and agreement to furnish any or all items upon which prices are offered at the price set opposite each item;
    - (iv) names, titles, and telephone and facsimile numbers (and electronic addresses if available) of persons authorized to negotiate on the offeror's behalf with the judiciary in connection with this solicitation; and
    - (v) name, title, and signature of person authorized to sign the offer. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to the issuing office.

- (3) *Submission, modification, revision, and withdrawal of offers*
- (i) Offerors are responsible for submitting offers, and any modifications or revisions, so as to reach the judiciary office designated in the solicitation by the time specified in the solicitation. If no time is specified in the solicitation, the time for receipt is 4:30 p.m., local time, for the designated judiciary office on the date that offer or revision is due.
  - (ii) (A) Any offer, modification, or revision received at the judiciary office designated in the solicitation after the exact time specified for receipt of offers is "late" and will not be considered unless it is received before award is made, the contracting officer determines it's in the judiciary's best interest, the contracting officer determines that accepting the late offer would not unduly delay the procurement, and:
    - (1) if it was transmitted through an electronic commerce method authorized by the solicitation, it was received at the initial point of entry to the judiciary infrastructure not later than 5:00 p.m. one working day prior to the date specified for receipt of offers; or
    - (2) there is acceptable evidence to establish that it was received at the judiciary installation designated for receipt of offers and was under the judiciary's control prior to the time set for receipt of offers; or
    - (3) it is the only offer received.
  - (ii) (B) However, a late modification of an otherwise successful offer that makes its terms more favorable to the judiciary, will be considered at any time it is received and may be accepted.
  - (iii) Acceptable evidence to establish the time of receipt at the judiciary installation includes the time/date stamp of that installation on the offer wrapper, other documentary evidence of receipt maintained by the installation, or oral testimony or statements of judiciary personnel.
  - (iv) If an emergency or unanticipated event interrupts normal judiciary processes so that offers cannot be received at the office designated for receipt of offers by the exact time specified in the solicitation, and urgent judiciary requirements preclude amendment of the solicitation, the time specified for receipt of offers will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal judiciary processes resume.
  - (v) Offers may be withdrawn by written notice received at any time before award. Oral offers in response to oral solicitations may be withdrawn orally. If the solicitation authorizes facsimile offers, offers may be withdrawn via facsimile received at any time before award, subject to the conditions specified in Provision 3-115, "Facsimile Offers." Offers may be withdrawn in person by an offeror or an authorized representative, if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award.
- (4) Unless otherwise specified in the solicitation, the offeror may propose to provide any item or combination of items.

- (5) Offerors shall submit offers in response to this solicitation in English and in U.S. dollars.
  - (6) Offerors may submit modifications to their offers at any time before the solicitation closing date and time, and may submit modifications in response to an amendment, or to correct a mistake at any time before award.
  - (7) Offerors may submit revised offers only if requested or allowed by the contracting officer.
  - (8) Offers may be withdrawn at any time before award. Withdrawals are effective upon receipt of notice by the contracting officer.
- (d) *Offer expiration date* Offers in response to this solicitation will be valid for the number of days specified on the solicitation cover sheet (unless a different period is proposed by the offeror).
- (e) *Restriction on disclosure and use of data* Offerors that include in their offers data that they do not want disclosed to the public for any purpose, or used by the judiciary except for evaluation purposes, shall:
- (1) mark the title page with the following legend:

This offer includes data that shall not be disclosed outside the judiciary and shall not be duplicated, used, or disclosed-in whole or in part-for any purpose other than to evaluate this offer. If, however, a contract is awarded to this offeror as a result of-or in connection with-the submission of this data, the judiciary shall have the right to duplicate, use, or disclose the data to the extent provided in the resulting contract. This restriction does not limit the judiciary's right to use information contained in this data if it is obtained from another source without restriction. The data subject to this restriction are contained in sheets [*insert numbers or other identification of sheets*]; and
  - (2) mark each sheet of data it wishes to restrict with the following legend:

Use or disclosure of data contained on this sheet is subject to the restriction on the title page of this offer.
- (f) *Contract award*
- (1) The judiciary intends to award a contract or contracts resulting from this solicitation to the responsible offeror(s) whose offer(s) represents the best value after evaluation in accordance with the factors and subfactors in the solicitation.
  - (2) The judiciary may reject any or all offers if such action is in the judiciary's interest.
  - (3) The judiciary may waive informalities and minor irregularities in offers received.
  - (4) The judiciary intends to evaluate offers and award a contract without discussions with offerors (except clarifications). Therefore, the offeror's initial offer shall contain the offeror's best terms from a price or price and technical standpoint. The judiciary reserves the right to conduct discussions if the contracting officer

later determines them to be necessary. If the contracting officer determines that the number of offers that would otherwise be in the competitive range exceeds the number at which an efficient competition can be conducted, the contracting officer may limit the number of offers in the competitive range to the greatest number that will permit an efficient competition among the most highly rated offers.

- (5) The judiciary reserves the right to make an award on any item for a quantity less than the quantity offered, at the unit price or prices offered, unless the offeror specifies otherwise in the offer.
- (6) The judiciary reserves the right to make multiple awards if, after considering the additional administrative prices, it is in the judiciary's best interest to do so.
- (7) Exchanges with offerors after receipt of an offer do not constitute a rejection or counteroffer by the judiciary.
- (8) The judiciary may determine that an offer is unacceptable if the prices proposed are materially unbalanced between line items or sub-line items. Unbalanced pricing exists when, despite an acceptable total evaluated price, the price of one or more contract line items is significantly overstated or understated as indicated by the application of price or price analysis techniques. An offer may be rejected if the contracting officer determines that the lack of balance poses an unacceptable risk to the judiciary.
- (9) If a price realism analysis is performed, price realism may be considered by the source selection authority in evaluating performance or schedule risk.
- (10) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time specified in the offer shall result in a binding contract without further action by either party.
- (11) The judiciary may disclose the following information in postaward debriefings to other offerors:
  - (i) the overall evaluated price or price and technical rating of the successful offeror;
  - (ii) the overall ranking of all offerors, when any ranking was developed by the judiciary during source selection;
  - (iii) a summary of the rationale for award; and
  - (iv) for procurements of commercial items, the make and model of the item to be delivered by the successful offeror.

**SECTION M - EVALUATION FACTORS FOR AWARD****M.1 Basis for Award**

Selection of vendors with whom the Probation/Pretrial Services Office will establish BPA's will be based on technical acceptability and the lowest price to the Government. If the solicitation document identifies that BPA's will be established with a specified number of vendors, the selection of technically acceptable vendors shall be based on price. For example, if a solicitation document identifies that 4 to 6 vendors are needed to provide services and 10 vendors are determined to be technically acceptable, awards will be made to no more than 6 of the lowest priced vendors.

**M.2 Evaluation of Proposals**

- a. To be acceptable and eligible for evaluation, proposals shall be prepared in accordance with the instructions given in Sections B and L of this solicitation document.
- b. By submission of a proposal, the offeror accepts all the terms and conditions of the RFP. Proposals that take exception to the terms and conditions will be determined technically unacceptable and the offeror will be so advised.
- c. Proposals will be evaluated to be considered Technically Acceptable using the following Pass/Fail Criteria. To determine that the offeror has met the following criteria, each proposal shall be evaluated to determine that every individual requirement has been met.

**M.3 Pass-Fail Criteria**

The following criteria address the offeror's ability to perform and comply with all the mandatory service requirements set forth in the Request For Proposals. Offerors who do not meet these requirements will be deemed to be technically unacceptable and will receive no further consideration. The offeror(s) will be so advised. Proposed subcontractor personnel qualifications and facilities will be evaluated and considered in the determination of the offeror's technical acceptability. The review of the criteria shall be based on the Offeror's Technical Proposal, which contains the Offeror's Certification of Compliance, Offeror's Background Statement, and the Offeror's Staff Qualifications. Each of these shall demonstrate how the offeror will perform/meet the requirements of the RFP.
