Consumer Bankruptcy Practice is an informative and informal conference that presents current developments and practical tips for bankruptcy attorneys and trustees, offers essential information on the Bankruptcy Code, and provides must-have written materials and resources for practitioners. This year's highlights include:

- A review of the recent rule changes, including tips you should know and traps you should avoid.
- Insight from the Acting U.S. Trustee for Region 7 on topics such as the means test and debtor audits.
- Audience voting on the "Sweet Sixteen" cases to include in your briefcase to take to hearings.
- Advice on *How to Claim, Attack, and Defend Exemptions*, including the reasons behind exemptions and how to ensure creditors receive some payment
- Analysis of *The Intersection of Bankruptcy and Criminal Law: From Bankruptcy Crimes to the Fifth Amendment*
- Breakfast Breakout Sessions for each district, featuring casual discussion with district bankruptcy judges and Chapter 13 trustees.
- Networking reception where attendees can connect with old colleagues and meet new ones.

Attendees will also receive additional on-demand programming to ensure they have the opportunity to meet their full 15.0/3.0 hours of required Texas MCLE.
