- Expand the item by clicking the **down arrow (▼)** to reveal specifics.

Reports and Case Management

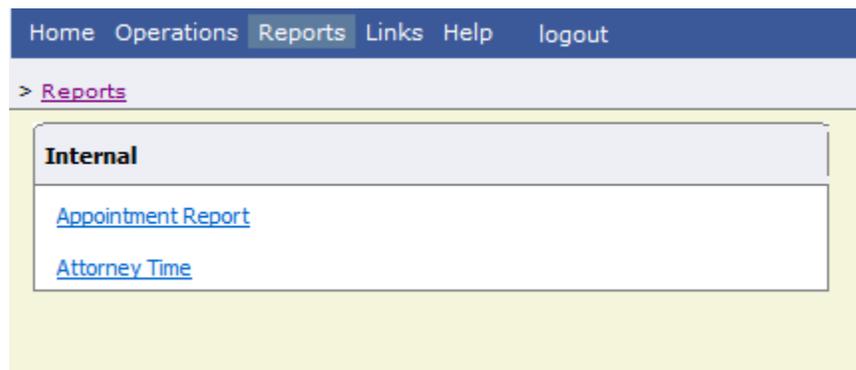

At the start of a case, it may be difficult for counsel or the court to know whether a case has the potential to exceed the statutory maximum (\$800) allowed for representation.

Therefore, attorneys are encouraged to monitor the status of funds, attorney hours as well as expert services, by reviewing the reports provided in the CJA eVoucher program. Items to remember:

- Viewable reports appear on the left review panel.
- Each panel, depending upon which document you are viewing, can have different reports available.
- Each report can have a short description of the information received when viewing that report.
- The two main reports are the Defendant Detail Budget Report and the Defendant Summary Budget Report.

Other accessible reports can be found on the menu bar.

Defendant Detailed Budget Report

This report will reflect the total amount authorized for this representation, any excess payment allowed, the vouchers submitted against those authorizations, and the remaining balances.

The report will provide the information in two sections: Attorney appointment and authorized expert service.
