

IN THE UNITED STATES DISTRICT AND BANKRUPTCY COURT
FOR THE SOUTHERN DISTRICT OF TEXAS

O R D E R

Entered March 25, 1992

ORDER NO. 92-9

The Judicial Conference of the United States Courts at its September, 1990, session approved an increase to the maximum rates that may be charged for government-paid transcripts. Implementation of the change in rates was subject to the availability of funds. Those funds are now available. It is therefore ORDERED that the maximum page rates approved by the Judicial Conference are hereby adopted for all transcripts prepared by official court reporters and official transcribing services throughout the Southern District of Texas, whether privately paid or government paid. These rates do not alter the current Judicial Conference policy on rates which may be paid from Criminal Justice Act funds for more than one copy of a transcript of the same proceeding, ordered in multi-defendant cases. Such schedule of rates as set out below will be posted by the Clerk of Court in a conspicuous place throughout the various offices in the district. These rates are approved by consensus of the court as effective for all transcripts ordered on or after April 15, 1992.
