The accompanying procedures are to be used in conjunction with the Local Rules for the Southern District of Texas and not as a substitute for them. The Local Rules of this District can be obtained on the District website at www.txs.uscourts.gov. The Court requires strict compliance with these Local Rules.

1. CONTACT WITH COURT PERSONNEL

- A. The Court requires that parties file documents through the District Court's Case Management/Electronic Case Filing (CM/ECF) System. *See* Southern District of Texas Local Rule 5.1 (LR5.1) and the District's Administrative Procedures for CM/ECF (as amended and available at www.txs.uscourts.gov).
- B. Case-related telephone, letter, and email inquiries are strictly limited to procedural matters and should be made only to the Case Manager. *See* addresses below. Inquiries should not be made to the Court's secretary or law clerks. The Court's caseload does not allow the Case Manager to respond to casual telephone inquiries about the status of motions or cases.
- C. Information about the status of documents, entry of orders, or docket entries should be obtained from the CM/ECF or PACER Systems, or if absolutely necessary, from the United States District Clerk's Office at (956) 723-3542.
- D. Correspondence with the Court must be delivered or sent to the Court's Chambers:

- 1) Case-related correspondence should be addressed to:

Jessica Rodriguez
Case Manager to U.S. District Judge John A. Kazen
1300 Victoria St., Ste. 2317
Laredo, TX 78040

Or by email: Jessica.Rodriguez@txs.uscourts.gov

- 2) **Do not** address substantive issues in letter or email form. The parties must file copies of all letters. Email correspondence with the Court should copy all other counsel appearing in the case and will be docketed at the Court's discretion.
- 3) Copies of urgent documents (including letters) may be sent by First Class Mail, emailed, or hand-delivered to Chambers (*see* Emergencies, § 3 below) or to the Court's Case Manager, with copies to all parties. Service copies must be transmitted to all counsel of record simultaneously with (or prior to) and in the same manner as the document is transmitted to the Court. The documents may **not** be faxed without express prior permission of the Court.

2. COURTESY COPIES OF DOCUMENTS

- A. Letters to the Court may be hand-delivered, sent by First Class Mail to Chambers, or transmitted by email, with copies to all parties served prior to or at the time of filing. *See* addresses above. Letters concerning discovery and scheduling matters must be filed in the docket.
- B. The parties must forward promptly to Chambers courtesy copies of (i) all documents that exceed ten (10) pages in length, including exhibits and attachments, and (ii) documents pertaining to matters to be heard by the Court within seven (7) days after the document is filed. Unless this rule is followed, the Court will not consider any documents filed within seven (7) days of any court appearance. Do not fax or email copies of documents to Chambers unless specifically authorized to do so by the Court.

3. EMERGENCIES AND TRAVEL

- A. Counsel should contact the Case Manager at (956) 726-2332 for matters requiring immediate attention.
- B. A copy of emergency motions must be sent directly to Chambers after their electronic filing. Counsel should bring the matter to the Court's attention promptly.
- C. Travel requests must be submitted to Chambers a minimum of five (5) business days before the controlling deadline, with exceptions only for verifiable medical emergencies or funerals. Attorneys must also furnish Probation with both the request and documentary proof within the same five (5) business day timeframe, ensuring adequate time for Probation to verify and assess the request's merits. Requests will be granted at the Court's discretion. Failure to comply with this rule, absent good cause, will result in the request being denied.

4. DEADLINE EXTENSIONS AND CONTINUANCES

- A. Motions for deadline extensions and continuances of court settings must be filed prior to date of the controlling deadline and will be granted only at the Court's discretion. Motions that fail to comply with this rule, absent a showing of good cause, will not be granted.
- B. Agreements or joint motions among counsel for deadline extensions or continuances are not binding on the Court. Parties must notify the Court of agreed continuances by submitting an agreed motion and proposed order.
- C. A trial generally will not be continued because of the unavailability of a witness.

5. APPEARANCES

- A. An attorney who appears at a hearing or conference must:
- 1) be familiar with the case,
 - 2) have authority to bind the client, and
 - 3) be in charge for that appearance.
- B. Motions for admission *pro hac vice* shall include the attorney-applicant's averment that he or she has familiarized him/herself with the Local Rules of the Southern District of Texas and these Procedures applicable to criminal cases before Judge Kazen. *See* attached form, also available at the Court's website.
- C. **Requirement for Experienced Local Counsel.** When an attorney does not maintain a principal office in the Laredo Division, or when an attorney does not have a substantial history of federal criminal practice, or when the ends of justice so require, the Court may require the attorney appear with experienced local counsel.

“Experienced Local Counsel” Defined. A member of the bar of the Southern District of Texas who maintains a principal office in the Laredo Division may serve as local counsel. Local counsel must have demonstrated experience in, and knowledge of, the Federal Rules of Criminal Procedure, the Federal Rules of Evidence, the United States Sentencing Guidelines, the Local Rules of the Southern District of Texas, and U.S. District Judge John A. Kazen Court Procedures in Criminal Cases. Local counsel must be authorized to act as attorney of record for all purposes, and must be authorized to present and argue the client's position at any hearing called by the Court and to perform any duty required by the Local Rules of the Southern District of Texas and of this Court.

6. MOTION PRACTICE

- A. **General Guidelines.** The Court follows the written motion practice described in the Local Rules. In addition, the following procedures apply:
- 1) Counsel must make serious and timely efforts to confer with opposing counsel on all motions to try to reach agreement on the relief requested by the movant.
 - 2) Motions must conform with CrLR12.2 and contain a certificate verifying that opposing counsel was consulted but no agreement could be reached. An unopposed motion and its order must be indicated prominently in the caption.
 - 3) If the motion presents issues of fact, it shall be supported by affidavit or declaration that sets forth with particularity the material facts at issue.

- 4) The Court will not grant a motion to adopt another party's motion and such a motion should not be filed.
- 5) Any pleadings filed with the Court, including exhibits thereto, containing personal data identifiers must comply with the S.D. Texas General Order #2004-11 (available at the District's website) on protecting personal privacy in public case files.

B. Page Limits and Briefing Requirements. The Court requires concise, pertinent, and well-organized memoranda of law. Without leave of Court, all memoranda of law are limited to 25 pages, 12-point font, double-spaced, with 1" margins. Any memorandum that has more than ten (10) pages of argument must contain the following items.

- 1) A table of contents setting forth the page number of each section, including all headings designated in the body of the brief or memorandum.
- 2) A table of citations of cases, statutes, rules, textbooks, and other authorities, alphabetically arranged.
- 3) A short statement of the nature and stage of the proceeding.
- 4) A statement of the issues to be ruled upon by the Court and, with respect to each issue, a short statement (supported by authority) of the standard of review.
- 5) A short summary of the argument.
- 6) Succinct headings dividing the argument into separate points.
- 7) A short conclusion stating the precise relief sought.
- 8) Proposed orders.

C. If an evidentiary hearing is necessary, the Court will notify the parties in advance. Exhibit and witness lists (the originals and **TWO (2)** copies of each) shall be provided to the Court at the hearing.

D. Motions to Suppress must be pleaded with specificity and not filed solely for discovery. They must also be in compliance with the Local Rules. Motions not in conformity therewith will be struck.

E. All Motions to Dismiss, Motions to Sever, and Motions for Separate Trial must be specific and brought to the Court's attention at least thirty (30) days before jury selection.

- F. Dispositive motions in criminal cases will be considered by the United States District Judge or may be referred to the Magistrate Judge as requested by the Court.

7. USE OF GENERATIVE ARTIFICIAL INTELLIGENCE (AI)

Attorneys and self-represented litigants must ensure that any filing prepared with the assistance of generative artificial intelligence (e.g. ChatGPT, Harvey.AI, or similar tools), is thoroughly reviewed for factual and legal accuracy prior to submission. These tools are capable of producing content that may be factually incorrect or legally unsound.

The Court will hold attorneys and self-represented litigants fully accountable for all content submitted under their name or signature, regardless of whether it was drafted in part by generative AI. The Court will exercise its inherent authority to sanction conduct that abuses the judicial process, including reliance on inaccurate or frivolous AI-generated content. *In re Goode*, 821 F.3d 553, 559 (5th Cir. 2016) (courts may sanction local rule violations even absent bad faith showing). The Court will not accept the excuse that such content was prepared by AI, staff, or others when assessing potential sanctions.

Attorneys are further reminded of their professional obligations under the Texas Disciplinary Rules of Professional Conduct, including the duty of candor to the tribunal and the prohibition against knowingly offering false statements of law. *See* Tex. Disciplinary Rules Prof'l Conduct r. 3.03(a) (Tex. Bar Ass'n 2024). Attorneys must also remain proficient and competent in the practice of law, including recognizing the benefits and risks associated with relevant technology. *See id.* at 1.01, cmt. 8.

The Court adopts and incorporates by reference Chief Judge Randy Crane's [General Order 2025-04](#) on the Use of Generative Artificial Intelligence in Court Filings.

8. PRETRIAL CONFERENCES AND DOCKET CALLS

- A. The Court generally holds one trial docket call each month. This docket call is the final pretrial conference (FPTC). At the FPTC, the Court may rule on all pending motions and conduct re-arraignments. The Magistrate Judge may conduct re-arraignments in felony cases as requested by the Court.
- B. The parties must engage in timely plea negotiations. Defense counsel should confer beforehand with the Government and their clients and review plea agreements prior to the FPTC. The FPTC date is NOT the date to secure a plea agreement and review it with the defendant-client. The parties must be ready to enter a plea of guilty or proceed to trial on announcement.

9. REQUIRED TRIAL MATERIALS

- A. For All Trials and Evidentiary Hearings:
- 1) **Exhibit List** (*see* attached form, also available on the Court's website).

Original must be filed in accordance with Local Rules; two (2) courtesy copies must be provided to the Court at the trial and/or hearing for distribution to all parties.

- 2) **Witness List** for live witnesses (*see* attached form, also available on the Court's website). Original must be filed in accordance with Local Rules; two (2) courtesy copies must be provided to the Court at the trial and/or hearing for distribution to all parties.
- 3) **Objections to Exhibits**, if any, must be filed within seven (7) calendar days after the exhibit is listed and made available and at least seven (7) days before trial. Failure to object in advance of trial in writing concedes authenticity. *See* CrLR55.2(A) and (B).

B. For Jury Trials:

- 1) **Voir Dire.** The Court will conduct the principal examination of the venire. Counsel will be generally allowed fifteen (15) to thirty (30) minutes (depending on the complexity of the case) to conduct an examination of the venire, provided that the proposed *voir dire* questions are submitted in advance to the Court.

Each proposed *voir dire* question must be in question form. Counsel must file an original copy of any proposed *voir dire* questions according to Local Rules. Counsel must also provide **TWO (2)** courtesy copies of any proposed *voir dire* questions.

- 2) **Jury Instructions.** The Court utilizes the Fifth Circuit Pattern Jury Instructions, as modified by case law or statutory amendments, when composing its jury instructions. A party should file proposed jury instructions only to request the addition or substitution of unique and/or non-standard instructions. Each requested instruction must be numbered and supported by authority.
- 3) **Motions in limine** are not required but may be filed when a party seeks the Court's ruling on a unique or novel evidentiary dispute. The Court strongly discourages and may strike motions in limine that simply seek to have the Court admonish the other party to follow the Federal Rules of Evidence and Criminal Procedure or other well-known rules of jury trial practice, all of which counsel must understand and follow. *See* Attachment A, which enumerates a non-exhaustive list of basic trial rules and expectations that should not be included in a motion in limine.

Additionally, if counsel harbors doubt as to whether his or her anticipated conduct at trial will violate the rules or expectations, counsel must seek permission to take that action in a motion in limine. Failure to ask

permission prior to taking a potentially prohibited action may result in sanctions.

C. For Non-Jury Trials, each party must file:

- 1) **Proposed Findings of Fact** (electronically in Microsoft Word). The Court strongly encourages counsel to reference testimony and exhibits that support each proposed finding of fact;
- 2) **Proposed Conclusions of Law** (electronically in Microsoft Word). Each proposed conclusion of law will contain citation to legal authority supporting the conclusions.

10. PROCEDURES FOR JURY TRIALS

A. Unless an attorney has commenced trial in another court, prior trial settings will not cause a case to be continued.

B. **Voir Dire.** The Court will conduct the principal examination of the venire. Counsel will be generally allowed fifteen (15) to thirty (30) minutes (depending on the complexity of the case) to conduct an examination of the venire, provided that the proposed *voir dire* questions are submitted in advance to the Court. *See* § 8.B above. The Magistrate Judge may conduct *voir dire* as requested by the Court with the consent of the parties.

C. **Exhibits.**

- 1) Counsel must be familiar with CrLR55.2 regarding authentication of, objections to, and disposition of exhibits at criminal trials.
- 2) Any exhibits containing personal data identifiers must comply with S.D. Texas General Order #2004-11 (available at the District website).
- 3) All exhibits must be marked and exchanged among counsel prior to trial. The offering party will mark each of his/her own exhibits with the party's name, case number, and exhibit number.
- 4) The Court will admit all exhibits without objection into evidence as the first order of business. Sensitive exhibits (*e.g.*, weapons, drugs, and money) will remain in the custody of the government agent throughout the proceedings.
- 5) Counsel will not pass exhibits to the jury during trial without obtaining permission in advance from the Court. All admitted exhibits will go to the jury during its deliberations.
- 6) Counsel for each party is required to provide the Court with two (2) printed copies of that party's exhibits in a properly tabbed and indexed notebook.

7) **Disposition of Exhibits Following Trial.**

- a. Exhibits that are not easily stored in a file folder (*e.g.*, posters, parts, or models) must be withdrawn after the completion of the trial and substituted with reduced reproductions or photographs.
- b. If there is no appeal, exhibits will be removed by the offering party within thirty (30) days after the time for appeal has elapsed. When there is an appeal, exhibits returned by the Court of Appeals will be removed by the offering party within ten (10) days after written notice from the clerk.
- c. Exhibits not removed will be disposed of by the clerk, and the expenses incurred will be taxed against the offering party.

D. **Equipment.**

- 1) Sound and Video Equipment: The Court has projection, document camera, sound, and video equipment in the courtroom. Counsel are invited to use that equipment during trial. Counsel who wish to test the equipment prior to trial shall contact the Case Manager to make arrangements to test the equipment. Parties also may provide their own equipment, but special arrangements must be made with the Case Manager prior to the day of trial.
- 2) Internet service is available for attorneys.
- 3) The Court will not provide a printer.
- 4) Devices for auditory assistance are available for the hearing impaired.

11. **COURTROOM PROCEDURES**

- A. **Hours.** The Court will generally convene for trial at 8:30 a.m. and adjourn at 5:30 p.m., recessing for lunch between 12:00 p.m. and 1:00 p.m.
- B. **Access at Other Times.** Counsel requesting access to the courtroom to set up equipment or exhibits before or after normal hours of Court must make arrangements in advance with the Case Manager.
- C. **Telephones.** Telephone messages for counsel will not be taken by the Court's staff, and counsel shall refrain from requesting use of telephones in chambers.
- D. **Filing of Documents.** Handing documents to the Court or Case Manager does not constitute the filing of the documents in the CM/ECF system.
 - 1) All original documents must be filed through the CM/ECF system.

- 2) Copies of documents filed within two (2) days prior to and during trial should be submitted to the Case Manager in duplicate.

C. Decorum.

- 1) Attorneys are required to wear standard business attire. Counsel and parties will comply with CrLR 57.2 and Appendix C regarding courtroom behavior. These procedures will be strictly enforced.
- 3) Counsel will ensure that all parties and witnesses refrain from chewing gum, drinking, eating, smoking, or reading newspapers, books, etc., in the courtroom. No cellular telephones, pagers, iPads, computers or other electronic devices are allowed in the courtroom. Attorneys needing to use computers or iPads during trial must seek prior approval. Recording equipment and photographic mechanisms are strictly prohibited.

F. Witnesses.

- 1) Counsel are responsible for summoning witnesses into the courtroom and instructing them on courtroom decorum and attire. Counsel may question witnesses while standing at the podium or seated at Counsel table.
- 2) Counsel must obtain the Court's permission before approaching a witness.
- 3) Counsel shall make every effort to elicit from the witnesses only information relevant to the issues in the case and to avoid cumulative testimony.
- 4) Counsel should bear in mind the Court's hours and arrange for witnesses accordingly. The Court will not recess to permit counsel to call a missing witness unless he or she has been subpoenaed and has failed to appear.
- 5) **Mode and Order of Examination:** A party will be allowed to conduct a direct examination of its witnesses to be followed by cross-examination by opposing counsel. Interrogation will conclude with a re-direct examination, which is limited by the scope of cross-examination.

The Court will not allow any "re-cross" or "re-re-direct," except in extraordinary circumstances and upon request by counsel.

G. Deliberations. While the jury is deliberating, Counsel are to remain near the courtroom to be available for jury notes or a verdict.

12. SENTENCING PROCEDURES

- A. The purpose of these sentencing procedures is to promote thorough research and robust, intelligent discussion about the legal issues raised by the parties. The procedures below are meant to raise the quality of advocacy on behalf of those being sentenced and by the Government in order to assist the Court in reaching decisions based on a fair and impartial application of the law to the facts of each case.
- B. **PSI Report Completion Deadline.** The Court will set a deadline for completion of the Presentence Investigation (“PSI”) Report by the U.S. Probation Office. It is the responsibility of counsel to obtain the PSI Report. The U.S. Probation Office is not required to further advise counsel of the completion of the PSI Report.
- C. **Statements of Acceptance of Responsibility.** Pursuant to U.S.S.G. § 3E1.1, a defendant who truthfully admits the conduct comprising the offense of conviction at the plea colloquy may adopt and submit the factual basis statement to the Court for consideration in determining whether the defendant qualifies for adjustment under subsection (a).
- D. **Responses to PSI Report.**
- 1) **Objections or Statements of Non-Opposition.** The attorney for the Defendant and the attorney for the Government shall submit either written objections or a written statement of non-opposition to the U.S. Probation Office and serve the same on opposing counsel within fourteen (14) days of receiving the PSI Report. *See* FED. R. CRIM. P. 32(f); S.D. Tex. CrLR 32.6; U.S. SENTENCING GUIDELINES MANUAL § 6A1.2 (2013).

Legal objections to the PSI Report require citations to supporting and contrary authority. When filing objections, counsel must note if the issue has been decided by binding or non-binding precedent and/or if the objection is being filed merely to preserve the issue for further appellate review.

- 2) **Responding to Objections.** No later than fourteen (14) calendar days after receiving a party’s objections to the PSI Report, opposing counsel shall file a written response to the objections. Absent a clear demonstration of good cause, a party’s failure to timely respond and dispute the objections filed by opposing counsel concedes the issue so long as the objection is non-frivolous. An objection is frivolous, for example, if it is foreclosed by binding precedent, unless it is merely filed to preserve the issue for further review. A party is not

required to respond to objections foreclosed by binding precedent and filed to preserve the issue.

- 3) **Extensions.** If additional time is required, counsel may request up to five (5) business days from the U.S. Probation Office without filing a formal motion with the Court. If more than five (5) business days are needed, a motion to extend time to file objections should be immediately filed. A sample proposed order is attached and is available on the Court’s website.

- E. **Sentencing Memorandum.** Counsel shall also file, within fourteen (14) calendar days of receiving the PSI Report, any sentencing memorandum with any pertinent attachments—such as letters and photographs—for consideration of grounds for departures under the Sentencing Guidelines or variances under 18 U.S.C. §3553(a). Requests for departures and/or variances must be supported by a factual basis and cite supporting legal authority.
- F. **“Safety Valve” Debriefs** in applicable drug offenses pursuant to 18 U.S.C. § 3553(f) and U.S.S.G. § 5C1.2, must be completed no later than one week prior to the PSI Report disclosure date. The attorney for the Government shall timely notify the U.S. Probation Office of any recommendations prior to the disclosure deadline.
