 - (1) Judges' schedules
 - (2) Dates for setting hearings
 - (3) Forms referenced in these rules
 - (4) Judges' individual court procedures
 - (5) Rules for chapter 11 cases designated as complex cases
 - (6) General and standing orders
- (d) A judge may modify the application of the rules in any case.
- (e) The forms referenced in these rules are on the court's website (www.txs.uscourts.gov). "Official Forms" referenced in these rules are nationally promulgated forms and may be found via a link on the court's website.

Local Rule 1002-1. Commencement of Case and Divisional Filing Locations.

- (a) Corporate or partnership parties must be represented by counsel at all times.

- (b) Cases must be filed in the division of the debtor's "principal location", as defined in subparagraphs (c) and (d). Nothing in this rule precludes a party-in-interest from filing a motion to transfer a case to another division under BLR 1014-1.
- (c) For an individual debtor, the debtor's principal location is the county of the debtor's principal residence or domicile for the longest portion of the 180 days preceding the date of the petition. If an individual debtor did not have a principal residence or domicile within the Southern District of Texas for at least 91 days before the filing of the petition, the individual debtor's principal location is the county of the debtor's principal assets within the Southern District of Texas.
- (d) For a debtor that is not an individual, the debtor's principal location is the county of the debtor's principal executive offices or principal assets for the 180 days immediately preceding the filing of the petition, or for a longer portion of such 180-day period than the principal executive offices or principal assets were located in any other county in this District. If there are no principal executive offices or principal assets within the District, the principal location shall be the Houston division.
- (e) Notwithstanding anything herein to the contrary, Complex Cases as defined under the Procedures for Complex Cases in the Southern District of Texas are governed by General Order 2018-1, as it may be subsequently amended.

Local Rule 1007-1. Supporting Documents.

- (a) On schedules D and E/F of Official Form 106, creditors must be in alphabetical order.
- (b) Official Form 121 must be submitted to the clerk with conventionally filed petitions and must be submitted to the clerk within 7 days of electronically filed petitions.
- (c) In all Chapter 13 Cases, the debtor must file with the plan:
 - (1) If the debtor is a wage or salary employee, the debtor must file a wage order with service on the Trustee; or
 - (2) If the debtor is not a wage or salary employee, the debtor must file on the forms promulgated from time to time by the Court:
 - (A) a proposed Order for EFT Payments (Online Banking) and Debtor's Certification; or

- (3) If there are extraordinary circumstances justifying an exception to (1) or (2) above, the debtor may file a motion to allow direct payment of funds to the Trustee.

Local Rule 1007-2. Pro Se Petitions.

- (a) Any individual filing a bankruptcy petition in person at the Clerk's office shall present the filer's government issued photo identification card used for entry to the federal courthouse. The Clerk will make a copy of the presented photo identification.

- (c) The Clerk will convert the copy of the photo identification to a PDF document, which will be added to the docket as a restricted event. Once docketed, the paper copy will be destroyed.
- (d) If a person fails to present acceptable identification as required by this Rule, the Clerk will note that failure on the docket sheet.

 - (3) File an amended mailing list in the form directed by the clerk, and
 - (4) Pay the filing fee.
- (b) Amendments to schedules must be marked to identify added, deleted or changed information.
- (c) If it appears to the court or trustee that the supporting documents need to be amended, the court or trustee may notify the debtor, specifying the items, documents, and time for amendment.

- (d) If the debtor moves to correct an erroneous social security number, the debtor must serve all parties in interest. The proposed form of order must extend the deadline for objecting to exemptions and discharge if necessary.

Local Rule 1014-1. Intradistrict Transfer.

On motion of a party in interest or on its own motion, the judge may transfer a case, an adversary proceeding, or a contested proceeding to another judge or division in this district. This rule does not apply to the reassignment of a judge following a recusal.

- (a) Motions and proposed orders for joint administration should itemize the requested relief. The motion and order must be in the form published on the court's website.
- (b) A motion for joint administration must be made to the judge with the lowest case number.

Local Rule 1017-2. Dismissals.

- (a) Among the reasons a case may be dismissed for want of prosecution under FED. R. BANKR. P. 1017 are:
 - (1) Incomplete or late schedules filed by the debtor;
 - (2) The failure of a non-individual debtor to act through counsel in the filing of a bankruptcy petition or the prosecution of a case;
 - (3) Unpaid or late filing fees by the debtor;
 - (4) Failure by the debtor to timely file mailing lists of creditors in the prescribed format;
 - (5) Failure by the debtor to include the required creditors list with the petition;
 - (6) Failure by the debtor to timely file the forms required by BLR 1007-1;
 - (7) The debtor's lack of diligent, prompt prosecution through filing of a plan late, missing or incomplete disclosure statement or other document required by the code, rules, or orders;
 - (8) The debtor's failure to attend the § 341 creditors meeting;
 - (9) The debtor's failure to timely amend schedules requested by the trustee or the U. S. trustee; and

- (10) Unpaid U.S. trustee quarterly fees.
- (b) Chapter 13 trustees may file motions to dismiss for non-payment, in the exercise of their discretion, at any time. Chapter 13 trustees must timely file motions to dismiss if the debtor is two monthly payments behind. The hearing must be set at the first panel following the expiration of 28 days after the motion is filed. The form of motion shall be in a form promulgated from time-to-time by the Bankruptcy Court. Responses and requests for hearings on motions to dismiss must be filed not later than 21 days after service. If no timely response is filed, the Court may dismiss the case without a hearing, at its discretion.
- (c) In chapter 13 cases, federal tax issues will be governed by the following procedures:

 - (2) Within 7 days after the § 341 meeting of creditors, the trustee must file a motion to dismiss any chapter 13 case in which the IRS transcript reflects a delinquent return for a period in which taxes would be entitled to a priority. The motion shall be in a form published from time-to-time on the Court's website.
 - (3) Within 21 days after the chapter 13 trustee has filed a motion to dismiss a case based on delinquent tax returns, the debtor must file a response to the motion.
 - (4) If all tax returns that are the subject of a motion under BLR 1017-2(b) have not been filed, the plan will not be confirmed. If all tax returns have been filed, the court may confirm the plan or may deny confirmation based on an estimate of the IRS's claim pursuant to § 502(c). The order confirming the plan will provide that the plan has been confirmed based on an estimate of the debtor's tax liability and that the actual amount payable by the debtor in order to discharge the tax liability will be the actual amount determined based on the allowance of the tax claim, without regard for any provision in the plan to the contrary.
 - (5) The proposed order dismissing for failure to file tax returns will provide for dismissal with prejudice until all delinquent returns have been filed and must be in the form published from time-to-time on the Court's website.

Local Rule 1019-1. Supplemental Schedules in Converted Cases.

Within 14 days after entry of an order converting a case from one chapter to another, the debtor must file: (1) supplemental schedules itemizing changes from the original schedules in property of the estate and in creditor lists, or (2) a statement that there are no changes.

If the trustee withdraws the confirmation recommendation less than 7 days before confirmation, the confirmation hearing will be rescheduled.

- (3) A claim arising from the rejection of an executory contract or unexpired lease of the debtor may be filed within such time as the court may direct.
- (4) On motion filed by a creditor before or after the expiration of the time to file a proof of claim, the court may extend the time by not more than 60 days from the date of the order granting the motion. The motion may be granted if the court finds that:

 - (B) the notice was insufficient under the circumstances to give the creditor a reasonable time to file a proof of claim, and the notice was mailed to the creditor at a foreign address.

Notwithstanding the foregoing, the failure of either party to appear at the initial hearing may result in the summary disposition of the objection. Agreed orders may be presented at the initial hearing or filed prior to the initial hearing.

Any objections to a request for conditional approval must be filed within fourteen (14) days. The failure to object to a request for conditional approval does not constitute a waiver of any objection to the final approval of a disclosure statement or confirmation of a proposed plan.

Local Rule 3021-1. Payments by Chapter 13 Trustee.

- (a) Chapter 13 trustees must make payments in accordance with confirmed plans.
- (b) Payment of Debtor(s)' attorneys' fees shall be made only after entry of an order allowing the fees. Under fixed fee agreements, attorneys' fees are allowed on entry of the order approving the fixed fee agreement.
- (c) The priority of payments to be made under a plan is established by the confirmed plan.
- (d) Each chapter 13 trustee will place information on the chapter 13 trustee's website regarding all payments made under Plans.

Local Rule 4001-1. Relief from Automatic Stay.

(a) Motions for relief from stay:

- (1) Motions for relief from the stay must contain a certificate that the movant has conferred with opposing counsel (or, in the event of *pro se* parties, opposing parties) and been unable to reach an agreement on the requested relief. If no conference has been conducted, movant must certify the dates and times on which movant has attempted to confer. Notwithstanding the foregoing, no conference is required if the movant files a certification that a confirmed plan provides for the surrender of the collateral that is the subject of the motion.
- (2) A motion for relief from stay must include a hearing date from the judge's web page. Failure to obtain a hearing date from the judge's web page and to include the notice in BLR 4001-1(a)(3) is a waiver of the automatic termination of the automatic stay under 11 U.S.C. § 362(e) or 1301(d).
- (3) The motion must state immediately below the title:

This is a motion for relief from the automatic stay. If it is granted, the movant may act outside of the bankruptcy process. If you do not want the stay lifted, immediately contact the moving party to settle. If you cannot settle, you must file a response and send a copy to the moving party at least 7 days before the hearing. If you cannot settle, you must attend the hearing. Evidence may be offered at the hearing and the court may rule.

Represented parties should act through their attorney.

There will be a hearing on this matter on [date] at [time] in courtroom _____, [address].

- (4) In addition to service as required by FED. R. BANKR. P. 4001(a)(1), on the same day that it is filed, the motion must be served on debtor, debtor's attorney, parties requesting notice, parties with an interest in collateral that is the subject of the requested relief, co-debtors under 11 U.S.C. § 1301, parties who are identified as a party against whom relief is sought in the motion, and the trustee.
- (5) If the moving party schedules a hearing on a motion for relief from stay or agrees to continue the hearing to a date more than thirty (30) days after the date the motion was filed (21 days for motions to lift the co-debtor stay), the party shall be deemed to have waived the automatic termination under 11 U.S.C. § 362(e) and/or 1301(d).

- (6) All motions to lift stay that request foreclosure on improved real property must be accompanied by documents evidencing the debt and lien perfection, and a payment history, including an explanation of transaction codes. Responses disputing the payment history must specify payments made that are not reflected in the payment history, the dates of payment, the amounts, and the mode. Evidence not accompanying the motion or response may be inadmissible in an evidentiary hearing.
 - (7) Failure of the movant to prosecute the motion at a preliminary hearing may result in dismissal of the motion for want of prosecution unless there is (i) an order continuing the hearing and waiving the 30-day requirement; (ii) a stipulation of the parties to continue the hearing and waive the 30-day requirement; or (iii) an agreed order resolving the motion that is entered prior to or is signed at the hearing.
 - (8) Motions for relief from the stay may never be combined with a request for other relief.
 - (9) In addition to other procedures applicable to motions for relief from the stay, a chapter 13 debtor must timely respond to motions for relief from the stay. A timely response includes the filing of an agreed order, a denial that conforms with FED. R. BANKR. P. 7008, a statement of non-opposition, or another accurate statement reflecting the current status of the motion. If no timely response is filed, the court may grant the motion for relief from the stay with or without a hearing, at its discretion.
 - (10) Responses should state the efforts of respondent to reach an agreement with movant and either (i) itemize each disputed issue of law or fact; or (ii) comply with FED. R. CIV. P. 8 as applied by FED. R. BANKR. P. 7008.
 - (11) In any evidentiary hearing conducted on a motion for relief from the automatic stay, all counsel shall certify before the presentation of evidence (1) that good faith settlement discussions have been held or why they have not been held; (2) that counsel has complied with Local Rule 9013-2 (except that the debtor is presumed to be a witness and need not be identified); and (3) the anticipated length of the hearing.
- (b) Motions filed under BR 4001(b), 4001(c), or 4001(d) for the use of cash collateral, obtaining credit, or for approval of agreements on BR 4001 matters, must state immediately below the title:

This motion seeks an order that may adversely affect you. If you oppose the motion, you should immediately contact the moving party to resolve the dispute. If you and the moving party cannot agree, you must file a response and send a copy to the moving

party. You must file and serve your response within 14 days of the date this was served on you. Your response must state why the motion should not be granted. If you do not file a timely response, the relief may be granted without further notice to you. If you oppose the motion and have not reached an agreement, you must attend the hearing. Unless the parties agree otherwise, the court may consider evidence at the hearing and may decide the motion at the hearing.

Represented parties should act through their attorney.

If a hearing has been set on the motion, this language must be added at the end of the notice:

There will be a hearing on this motion on [date] at [time] in courtroom _____, [address].

- (c) Motions to approve agreements governed by Bankruptcy Rule 4001(d) must be served:
 - (1) If the agreement is in an individual chapter 7 case or a chapter 13 case and concerns consumer goods, the debtor's homestead or a non-business-use vehicle, notice should be given to the chapter 13 trustee, the debtor, any co-obligor, and any party with an interest in the collateral.
 - (2) Motions to approve all other agreements governed by Bankruptcy Rule 4001(d) shall be served under BLR 2002-1(a)(3).
- (d) Attorneys' fees will be awarded to creditors for filing motions for relief from the stay as follows:
 - (1) Undersecured creditors will not be awarded attorneys' fees for the filing of a motion for relief from the stay in a chapter 13 bankruptcy case.
 - (2) With respect to motions by oversecured creditors or by home lenders filing post-confirmation motions governed by § 1322(b)(2), the court will approve agreed orders (i) providing for attorneys' fees and costs not to exceed the amount stated in Form Order 0-400 "Chapter 13 Agreed Order Conditioning Automatic Stay (Home)" ; and (ii) providing for attorneys' fees and costs exceeding that sum only upon a submission of fee statements reflecting actual time incurred. All requests for attorneys' fees must (i) include a certification that the amount requested is less than or equal to the amount that will be paid by the holder of the lien to the holder's counsel; and (ii) be reasonable under the facts and circumstances.

- (3) Attorneys' fees in matters not resolved by agreed orders will be considered on an evidentiary basis.
- (e) In each chapter 13 case, the Court will issue an order that authorizes the use of estate vehicles under § 363 and provides adequate protection to the holders of liens on the vehicles.
- (1) The adequate protection order will require the debtor to (i) maintain insurance on the vehicle in the amount required by the debtor(s) prepetition contract; (ii) provide proof of insurance to the lien holder; and (iii) enter into a wage order or EFT Order not later than 14 days after the petition date.
 - (2) As additional adequate protection, the lien holder will be given an administrative claim, with priority under § 507(b), in an amount equal to 1.25% of the value of the vehicle for each 30 days that elapses from the date of the adequate protection order. For example, if the vehicle is valued at \$10,000, a § 507(b) adequate protection claim in the amount of \$125 will accrue each month. In the event of a dismissal or conversion of the chapter 13 case, the trustee will distribute the proceeds in accordance with § 1326(a)(2). This will result, in most cases, in payments being made in the following order of priority:
 - (A) First, to the vehicle lien holders in the amount of the adequate protection reserve;
 - (B) Second, to debtor's counsel for unpaid fees for which an application is filed on or before 21 days after entry of the order of dismissal and that have been allowed by court order;
 - (C) Third, to the debtor (directly and not through counsel).
 - (D) Payments under paragraph "1" shall be made following the expiration of 14 days of entry of the dismissal order, unless the dismissal order is stayed.
 - (3) The debtor or any other party in interest may object to the adequate protection order not later than 30 days after entry of the court's order. The objecting party must state the date that the hearing will be conducted, which date will be the next chapter 13 panel after the expiration of 14 days from the date of the objection. The objection must be served on the debtor, the debtor's counsel, the chapter 13 trustee, and any party holding security interest in the vehicle. The objecting party must attend the hearing and present evidence in support of the objection.

- (4) For purposes of valuation in the absence of any objection, the vehicle value will be determined based on 90% of the “Average Price Paid” stated on the website www.jdpower.com (utilizing the version available without charge) for a vehicle (without options or mileage adjustments) located at the first zip code listed for the Debtor on the docket sheet, unless the Court orders otherwise. In determining the principal amount due to the lien holder under the plan, the § 507(b) payments will be (i) deducted from the value of the vehicle, if the value of the vehicle is less than the lien; and (ii) applied to interest if the value of the vehicle is greater than the lien. If the value of the vehicle is less than the lien, interest will begin to accrue on the confirmation date.
 - (5) The adequate protection order will not provide protection to a vehicle lender if the debtor voluntarily surrenders the vehicle by delivering the vehicle to the vehicle lender within 28 days of the petition date.
 - (6) If a debtor proposes to make direct, post-petition payments to a lender on a vehicle loan that was not in default as of the petition date, no additional adequate protection payments are required, unless otherwise ordered by the Court. If a debtor defaults on direct payments, the debtor must make a cash payment to the lien holder at or before the time of any plan modification. The cash payment must equal or exceed 1.25% of the vehicle’s value (determined in the manner set forth in paragraph 4 above) for each one month of missed direct payments.
- (f) Motions for relief from the automatic stay that pertain to exempt residences or exempt vehicles (“Consumer Lift Stay Motions”) are governed by this BLR 4001-1(f).
- (1) Parties who file motions for relief from the stay on exempt residences or exempt vehicles in chapter 7 and chapter 13 cases must comply with this BLR 4001-1(f) and must use the forms promulgated by the court from time to time.
 - (2) Variance from this rule is allowed, if exceptional circumstances exist.
 - (A) Exceptional circumstances include:
 - (1) A motion for relief from the stay filed against a repeat bankruptcy case filer for which the movant seeks relief other than a routine termination of the stay; or
 - (2) A motion for relief from the stay on which there are disputes regarding the extent, validity, or priority of liens on the collateral that is the subject of the motion.

- (B) A party believing that are other exceptional circumstances justifying exemption from this rule must allege the exceptional circumstances with particularity in the motion.
- (3) Variance from this rule is allowed, if exceptional circumstances exist. When exceptional circumstances are alleged, the court may conduct an evidentiary hearing at which time the exceptional circumstances must be demonstrated by a preponderance of the evidence.
- (4) Prior to filing a Consumer Lift Stay Motion, the movant must attempt to contact the debtor(s)' counsel to discuss whether an agreement can be reached utilizing the court's agreed order forms. If such an agreement can be reached, the parties may submit a Motion for Entry of Agreed Order under FRBP 4001. Conferences may be attempted by telephone or by e-mail. In all conferences, movant's counsel must provide a contact person with a direct telephone number for future discussions. The motion may be filed by the movant in accordance with the following table:

Day of Initial Attempt to Confer	When Motion May be Filed
Monday	5:00 p.m. on Wednesday
Tuesday	5:00 p.m. on Thursday
Wednesday	5:00 p.m. on Friday
Thursday	5:00 p.m. on the following Monday
Friday	5:00 p.m. on the following Tuesday

- (5) If the parties cannot reach agreement to submit an agreed order in the court's format, the party seeking relief from the stay may file a Consumer Lift Stay Motion in the court's format along with a proposed order, also in the court's format. Responses by the debtor must be one of the following and must be filed at least 7 days before the hearing:
- (A) Submission of an agreed order terminating the stay utilizing a form from the court's website. If an agreed order is filed in accordance with these procedures, the court usually will issue the order prior to the hearing. Attendance at the originally scheduled hearing is not necessary, by either party. If the court declines to issue the order, the court will issue an order for further proceedings.
- (B) Submission of an agreed order conditioning the stay utilizing a form from the court's website. If an agreed order is filed in accordance with these procedures, the court will usually issue the order prior to the hearing. Attendance at the originally scheduled hearing is not necessary, by either party. If the court declines to

issue the order, the court will issue an order for further proceedings.

- (C) Filing an answer or other response. Answers must comply with FRBP 9011. Responses must be based on reasonable investigation and must not be filed for delay or other improper purpose. A response stating that the debtor(s)' attorney has not been able to contact the debtor(s) or a general denial not based on reasonable investigation may not be sufficient to prevent default relief. If a timely response is filed, attendance at the hearing by both parties is required.
- (6) If a sufficient response has not been timely filed, the movant must submit a proposed form of default order with a certification of default. The proposed form of default order and certification must comply with the court's form as promulgated from time to time. The court may issue a default order if an adequate response is not filed at least 7 days before the hearing. If the court issues a default order prior to the hearing, counsel need not appear at the hearing. If the court has not issued a default order and a party who has failed to respond appears at the hearing, the court may nevertheless grant default relief or may set a date for an evidentiary hearing.

Local Rule 4002-1. Duties of Debtor-in-possession.

- (a) A debtor in possession is responsible for strict compliance with the Bankruptcy Code, Federal Rules of Bankruptcy Procedure, and standing orders. The debtor must prevent the depletion of the assets of the business during the proceedings, and it must notify its counsel immediately of a depletion or potential depletion.
- (c) If the debtor becomes aware of facts indicating that the continued operation of its business may not be in the best interest of the creditors or of the estate, it must immediately notify its counsel, who may immediately notify the court and recommend a solution.
- (d) The debtor may not use property of the estate to pay any prepetition unsecured obligation except on order.

- (e) The debtor must not transfer (sell, give, move, encumber) an asset outside of the ordinary course of business except on order.

- (h) The debtor must not use cash collateral without prior written consent of the secured creditor or an order.

- (j) Counsel may advise the court of any knowing violation by debtor.

Local Rule 4003-1. Exemptions.

- (a) If an amendment or supplement to the list of exemptions is filed after the § 341(a) meeting of creditors, it must be served by the party claiming the exemption under BLR 9013-1.
- (b) When a hearing date on an objection to an amended or supplemented list of exemptions is established, the objector must give notice as if the objection were a motion with service under BLR 9013-1.

Local Rule 4008-1. Reaffirmation Agreements.

The filing of a reaffirmation agreement will be a request for a hearing if the reaffirmation agreement is not accompanied by a § 524(c)(3) declaration or affidavit of debtor's counsel. No motion is required to invoke the reaffirmation procedures of § 524(c).

Local Rule 5005-1. Filing of Papers and Signatures.

- (a) Except as set forth in this rule, the Administrative Procedures for the Filing, Signing, and Verifying of Documents by Electronic Means in Texas Bankruptcy Courts (as amended January 12, 2017) are adopted. The current version is available on the Court's website.
- (b) Signatures of debtors, attorneys, affiants and declarants may be either (i) received and maintained in "wet signature form"; or (ii) electronically signed utilizing a commercially available electronic signing technology (such as DocuSign) that (a)

maintains an audit trail that allows the filing attorney to obtain the identification of the signer's computer or other electronic device from the commercial provider; and (b) complies with the requirements of the United States ESIGN Act.

- (c) The notice of electronic filing that is automatically generated by the Court's electronic filing system constitutes service of the document on those registered as filing users of the system.
- (d) Depositions, interrogatories, answers to interrogatories, requests for production or inspection, responses to those requests, and other discovery material may not be filed. When a discovery document is needed in a pretrial proceeding, those portions that are needed may be attached as an exhibit to the relevant pleading. When this material is needed at trial, it may be introduced under the Federal Rules of Evidence.

Local Rule 5011-1. Withdrawal of Reference.

A motion to withdraw a case, contested matter, or adversary proceeding to the district court must be filed with the clerk. Unless the district court orders otherwise, the matter will first be presented to the bankruptcy judge for recommendation.

Local Rule 6007-1. Surrender of Collateral in Chapter 13 Cases.

- (a) If a chapter 13 plan³ requires the surrender of collateral that is subject to a debtor's possession or control, this Rule governs the implementation of the surrender, unless the Court orders otherwise.
- (b) Debtors and holders of security interests may enter into written agreements (including agreements made by email) providing for the orderly surrender of collateral under a confirmed plan. No agreement may impose personal liability on a debtor or limit a debtor's discharge. If a written agreement is made, the Court will enforce it according to its terms unless the agreement contravenes applicable law. The balance of this Rule governs the method of surrender under a confirmed plan when there is not a written agreement.
- (c) The procedures for the surrender of collateral made pursuant to Paragraph 7 of the plan must commence not later than 7 days following entry of the order approving the plan.
- (d) The procedures for the surrender of collateral made pursuant to Paragraph 18 of a confirmed plan must commence no earlier than 21 days nor later than 28 days after a Surrender Notice is filed.

³ This rule applies equally to modified plans.

- (e) This subsection applies to the surrender of real property and for which no written agreement has been made under BLR 6007-1(b).
- (1) The Debtor(s) must send a letter, substantially in the form set forth on the Court's website, offering immediate possession of the real property to each holder of a security interest on the real property that is listed as a secured creditor on the Debtor's Schedule D or that has filed a proof of claim asserting a secured claim in the real property to be surrendered.
 - (2) The letter must be sent by prepaid United States Mail to (i) the last known address of the security interest holder; and if a proof of claim has been filed, to the address for notices set forth on the proof of claim; or (ii) if the security interest holder has appeared through counsel in the case, to the counsel who has appeared.
 - (3) If there is more than one security interest holder and a dispute arises between the security interest holders as to the disposition of the property, the security interest holders must promptly notify the Debtor(s). In the event of such a dispute, the Debtor(s) must vacate the property within 14 days of receipt of the notice.
 - (4) If a security interest holder requests possession of the property, the Debtor(s) must fully cooperate in vacating the premises. This includes, without limitation, complying with a written request from the security interest holder to deliver all keys, garage door openers, alarm codes, and other information that will allow the security interest holder unfettered access to the property in a prepaid package supplied by the holder of the security interest holder. The premises must be vacated not later than the date set forth in writing by the security interest holder, which date may not be sooner than 14 days following delivery of the request. Any request must be (i) sent by email to the Debtor's counsel (if any), and (ii) served on the Debtor in accordance with FED. R. BANKR. P. 7004. Subject to FED. R. BANKR. P. 9006(f), delivery of the request will be deemed to occur when the requirements of the preceding sentence have been satisfied.
 - (5) The procedures set forth in subparagraphs (iii) and (iv) of this subparagraph may be implemented by a holder of a security interest immediately following the 7-day period set forth in subparagraph (c) of this Rule and without waiting for the sending or receipt of the letter required by subparagraph (e)(1) of this Rule.
 - (6) If a document is required to be sent under this Rule to the United States or its agencies, the document must additionally be sent (i) to the United States Attorney at 1000 Louisiana Street, Suite 2300, Houston,

Texas 77002 (attention: Civil Process Clerk); or (ii) in accordance with Bankruptcy Rule 7004.

- (f) This subsection applies to the surrender of a vehicle that is permitted to operate on public roads and for which no written agreement has been made under BLR 6007-1(b).
- (1) The holder of a security interest must file a Delivery Notice. The Delivery Notice must instruct the Debtor(s) (i) to deliver the vehicle to a specific location; and (ii) as to the disposition of the keys to the vehicle at the time of delivery. The Delivery Notice must be served by United States mail on the Debtor(s) at their address as listed on the docket sheet. The Debtor(s) must deliver the vehicle within 14 days of the filing of the Delivery Notice.
 - (2) The specific location in the Delivery Notice must be within 25 driving miles of the Debtor(s)' home, as listed on the docket sheet.
 - (A) If the specific location is a public street address, the Debtor(s) must park the vehicle on the designated public street and within 2 city blocks of the address. No public street address may be designated by the security interest holder unless free parking is available on the public street. When the Debtor(s) park the vehicle, the Debtor(s) must photograph the exterior and interior of the vehicle. The exterior must be photographed such that the location is visible from the photograph. The car must be locked.
 - (B) After the vehicle is parked in accordance with this Rule, the security interest holder will have the sole risk of loss as to the vehicle and will be responsible for the payment of any traffic fines or other penalties arising out of compliance with the instructions in the Delivery Notice.
 - (C) If the specified location is not an address on a public street, the location must be available for delivery of the vehicle and staffed with at least one person (i) not less than 4 days per week; (ii) at least one weekend day each week; (iii) by 7:00 a.m. on at least one day each week; and (iv) until at least 7:00 p.m. on at least one day each week. Upon delivery:
 - (1) the staff person at the delivery location must execute and deliver a receipt to the Debtor(s), which receipt will reflect that the vehicle was delivered. The receipt will not be an acknowledgement that the vehicle was received in any particular condition.

- (2) the Debtor(s) and the staff person at the delivery location must each take pictures of the interior and exterior of the vehicle. The pictures will be taken after delivery, but prior to the execution of the receipt.
- (D) If the holder of the security interest has not been provided with a current certificate of insurance, the vehicle is not operable, or the vehicle is not in the Debtor(s)' possession or control, the holder of the security interest may repossess the vehicle in accordance with applicable non-bankruptcy law. Additionally, the Debtor(s) must:
 - (1) Within 7 days of the filing of a Delivery Notice, notify the security interest holder in writing of the circumstances that preclude the Debtor(s) from delivering the vehicle. The notification must inform the security interest holder of the location of the vehicle if known. Notices to the security interest holder must be sent to (i) the last known address of the security interest holder; and if a proof of claim has been filed, to the address for notices set forth on the proof of claim; or (ii) if the security interest holder has appeared through counsel in the case, to the counsel who has appeared;
 - (2) Fully cooperate in allowing the security interest holder to retrieve the vehicle, including agreeing to meet the security interest holder at a specific date and time to allow the retrieval of the vehicle; and,
 - (3) Not drive a vehicle that is uninsured.
- (g) The surrender of any other property is governed by this Rule and by applicable non-bankruptcy law. The holder of a security interest must make reasonable efforts to take possession of the surrendered property before the expiration of 28 days following (i) the confirmation of a plan that provides for the surrender or collateral under paragraph 7 of a confirmed plan; or (ii) the filing of a Surrender Notice under paragraph 18 of a confirmed plan.
- (h) If the Debtor(s) fail to comply with the provisions of this Rule, the holder of the security interest may seek (i) to compel compliance by the Debtor(s); and (ii) to recover from the Debtor(s) the holder's reasonable costs and attorney's fees as an administrative expense to be paid under the confirmed plan; provided, there shall be no liability for the failure to take photographs as required by this Rule. The failure to take photographs as required by his Rule may result in an adverse evidentiary inference.

- (i) If a holder of a security interest, secured by personal property, fails to comply with the provisions of this Rule, the Debtor(s) may (i) seek to compel compliance by the holder; and (ii) impose a monthly storage fee, secured by a first priority lien on the holder's collateral, equal to 0.5% of the fair market value of the collateral for every day that the collateral is held by the Debtor(s) after the expiration of 28 days following (i) the confirmation of a plan that provides for the surrender or collateral under paragraph 7 of a confirmed plan; or (ii) the filing of a Surrender Notice under paragraph 18 of a confirmed plan. If the holder retrieves the collateral after the 28-day period, the security interest lien holder must pay cash to the Debtor(s) in the amount of all accrued storage fees. The Debtor(s)' rights created by the lien under this subparagraph may be enforced through the Bankruptcy Court or any other court of competent jurisdiction.
- (j) Subject to subparagraph (f) of this Rule, the Debtors may use any collateral pending the retrieval by the lien holder.
- (k) If a writing is required by this Rule, the writing may include an email communication, a facsimile signature, or a paper document.
- (l) This Rule applies only in Chapter 13 cases.

Local Rule 7067-1. Registry of the Court and Costs.

- (a) This rule applies to deposit or withdrawal of funds from the court registry except unclaimed funds deposited by case trustees, which are governed by Bankruptcy Local Rule 3011-1.
- (b) A proposed order for the deposit or withdrawal of funds from the court registry must contain the approval stamp of the Finance Department of the Office of the Clerk of Court. Unless the court orders otherwise, a motion to deposit funds will be considered *ex parte*.
- (c) After receiving an order of the court directing that funds be disbursed from the registry, a payee party named in such order shall follow instructions provided on the court's web site to submit appropriate completed forms through a filing in CMECF. Documents submitted in accordance with the court's instructions will not be available to the public unless otherwise ordered.

Local Rule 9013-1. Pleadings, Hearings, and Service.

- (a) Pleadings must include a title that identifies the party filing the pleading and a brief description of the nature of the pleading. Example: XYZ Finance Company Motion for Relief from the Stay for 2003 Ford Explorer. Responses, other pleadings, and proposed orders filed after the initial motion should state the title and the docket number of the motion to which it applies. Example: Joe Debtor Response to XYZ Finance Company Motion for Relief from the Stay for 2003 Ford Explorer (docket 17).
- (b) Except as noted in (e), each pleading seeking an order must include this immediately below the title:

This motion seeks an order that may adversely affect you. If you oppose the motion, you should immediately contact the moving party to resolve the dispute. If you and the moving party cannot agree, you must file a response and send a copy to the moving party. You must file and serve your response within 21 days of the date this was served on you. Your response must state why the motion should not be granted. If you do not file a timely response, the relief may be granted without further notice to you. If you oppose the motion and have not reached an agreement, you must attend the hearing. Unless the parties agree otherwise, the court may consider evidence at the hearing and may decide the motion at the hearing.

Represented parties should act through their attorney.

- (c) Movants should check the individual judge's web page to determine whether the motion may be self-calendared. If the motion may be self-calendared, this language must be added at the end of the notice:

There will be a hearing on this motion on [date] at [time] in courtroom _____, [address].

- (d) In addition to service required by the FED. R. BANKR. P., and except as noted in (e), the movant must serve the entities with pleadings requesting an order, notices, and hearing settings:

- (e) The notice language, hearing settings, and service requirements for the following matters are governed by the rules noted, instead of BLR 9013-1(a-d):

Claim Objections, Rule 3007
Motions for Relief from Stay, Rule 4001
Employment Applications, Rule 2014 and Rule 9003
Pro Hac Vice Applications, Rule 9003

- (f) Whenever service of a pleading, notice, or other document is required under these rules or the Federal Rules of Bankruptcy Procedure, the serving party must serve it no later than the next day after the pleading is filed. The serving party must file a certificate of service including the name and address of those served.

- (g) Responses to Motions.

(1) Responses to motions to lift the automatic stay are governed by BLR 4001-1. Responses to all other motions are governed by FED. R. BANKR. P. 7008. Prior to filing a response, counsel (or unrepresented parties) shall confer with movant to attempt to resolve the relief requested in the motion without the necessity of a hearing. Responses must include a certificate either that (i) a conference was held and that the parties were unable to resolve the matter; or (ii) the specific dates that the respondent attempted to contact the movant and the reason why no conference was held.

(2) If no timely response is filed, the court may grant the motion without a hearing.

- (h) Each motion, application, objection, and response filed with the court must be accompanied by a proposed order.

- (i) Some judges allow self-calendaring of emergency motions through the judge's web page. If self-calendaring is not authorized, requests for emergency hearings

may be made in the pleading requesting the relief. No separate motion requesting an emergency hearing is required. The emergency motion must contain the word “Emergency” in the title of the motion. The motion must include a detailed statement why an emergency exists, and the date relief is needed to avoid the consequences of the emergency. The motion seeking an emergency hearing must be certified for its accuracy by the party seeking the emergency relief or by its counsel.

In addition to the notice required by BLR 9013-1(b), the movant must include the following paragraph:

Emergency relief has been requested. If the Court considers the motion on an emergency basis, then you will have less than 21 days to answer. If you object to the requested relief or if you believe that the emergency consideration is not warranted, you should file an immediate response.

Local Rule 9013-2. Exchange of Exhibits, Exhibit Lists and Witness Lists in all Contested Matters and Adversary Proceedings.

- (a) Unless otherwise directed by the Court, this rule shall apply to all contested matters and adversary proceedings in which a response is filed except for (i) hearings held during a chapter 13 panel, such as hearings on motions to dismiss chapter 13 cases; (ii) motions to modify the automatic stay in chapter 13 cases and individual chapter 7 cases to allow the foreclosure of liens on the debtor’s principal residence or vehicle(s); (iii) objections to claims to which no response has been filed; or (iv) contested matters and trials covered by a separate scheduling order that specifically provides alternative deadlines for the exchange of exhibits, exhibit lists and witness list.
- (b) Counsel for each party shall exchange exhibits by noon on the Day of Exchange in accordance with Table 1.
- (c) Counsel for each party shall also exchange and file exhibit and witness lists with the Clerk of the Court by noon on the Day of Exchange in accordance with Table 1. Witness lists must identify whether each witness is to be called as a fact witness or as an expert. If no delineation is made, the witness will only be allowed to testify as a fact witness unless otherwise ordered by the Court, or the witness is an owner of the property at issue opining as to value.
- (d) If counsel intends to use only hard copy exhibits at the hearing or trial, then counsel must deliver either (i) a hard copy of the exhibits to opposing counsel; or (ii) a copy of the exhibits by electronic mail to opposing counsel and, if requested in writing from opposing counsel, a hard copy of the exhibits within 24 hours of receiving the written request. If no written request is made, counsel shall provide

a hard copy of the exhibits to opposing counsel at the hearing or trial. If counsel intends to use technology in the courtroom by putting the exhibits on an electronic media so that exhibits may be shown on the screens in the courtroom, then counsel must deliver an electronic copy of the exhibits to opposing counsel and, if requested in writing, a hard copy of the exhibits within 24 hours of receiving the request. The electronic copy must contain the exhibits in the same order as they are contained on the electronic media to be used in the courtroom. Alternatively, the parties may agree in writing to a different manner of exchange, i.e., exchange by electronic mail, facsimile, Dropbox (or other form of internet-based distribution service), etc. Any party agreeing in writing to a different manner of exchange under this paragraph waives the right to object to the admission of any exhibit for non-compliance with this rule and to receive a hard copy of the exhibits under this paragraph.

- (e) All hard copy exhibits should be clearly marked, tabbed and bound in a 3-ring notebook or utilizing another binding method that allows the exhibit book to open and lay flat on an even surface.
- (f) For exhibits that are more than 10 pages in length, each page of that exhibit must be numbered or bates labeled.
- (g) If counsel has identified expert witnesses on the witness list, then counsel must ensure that the written reports of the expert witnesses are timely provided to opposing counsel. Expert reports shall be delivered to opposing counsel by noon on the Day of Exchange in accordance with Table 1. Notwithstanding the foregoing, no expert reports shall be required for (i) owners of property opining on the value of the property; and (ii) attorneys providing expert testimony regarding the reasonableness and amount of attorney's fees.
- (h) **Emergency Hearings.** If a hearing is scheduled on an emergency basis and unless a specific order is otherwise issued, all of the above referenced procedures shall apply except that counsel must (i) exchange exhibits, exhibit and witness lists; and (ii) file exhibit and witness lists with the Clerk of the Court by noon of the Day of Exchange in accordance with Table 2. An emergency hearing is a hearing set (i) by order that expressly states that the hearing is an emergency hearing; or (ii) a hearing set by docket entry on less than 72 hours' notice. If a hearing is set on less than two (2) days' notice, then the exhibits must be exchanged at the earliest practicable time.
- (i) **Contested Hearings in Chapter 13 and 7 Cases Involving less than Ten Exhibits.** In other contested matters in chapter 13 and 7 cases where a party intends to offer ten or fewer exhibits, counsel are not required to provide bound exhibits and may exchange exhibits with opposing counsel by electronic mail. All other requirements and deadlines will apply.

- (j) ***Contested Hearings in Complex Chapter 11 Cases.*** In contested matters in complex chapter 11 cases, counsel may deliver exhibits via an internet-based distribution service that does not assess a charge to the party performing the download. The website address along with instructions for downloading the exhibits shall be made available in accordance with Table 1 or Table 2 as appropriate. If a party elects to deliver exhibits in accordance with this paragraph, counsel is not required to provide bound exhibits to counsel. All other requirements and deadlines will apply.
- (k) The failure to timely comply with this rule may be grounds for the denial of the admission of any or all exhibits and the exclusion of witness testimony.
- (l) **Regardless of the manner of exchange between counsel and unless otherwise instructed by the Court, counsel shall bring three hard copies of the exhibits to the scheduled hearing or trial—one for the court; one for the courtroom deputy; and one for witnesses.**
- (m) **Table 1.**

Scheduled Day for Hearing or Trial	Day of Exchange

Tuesday	Previous Friday
Wednesday	Previous Monday
Thursday	Previous Tuesday
Friday	Previous Wednesday

If the Day of Exchange is a legal holiday, the Day of Exchange would be the preceding Day of Exchange. For example, if the Scheduled Day for Hearing or Trial was a Wednesday and the Previous Monday was a legal holiday, the Day of Exchange would be the Previous Friday.

- (n) **Table 2.**

Scheduled Day for Emergency Hearing	Day of Exchange

If the Day of Exchange is a legal holiday, the Day of Exchange would be the preceding Day of Exchange. For example, if the Scheduled Day for Emergency Hearing was a Wednesday and the Previous Tuesday was a legal holiday, the Day of Exchange would be the Previous Monday.

Rule 9017-1. Means of Conducting Hearings and the Taking of Testimony⁴

- (a) The Court may allow remote participation for individual hearings or trials. In hearings and trials for which the Court authorizes remote participation, the Court’s audio and video connections may be utilized only by
 - (1) the parties to the proceeding;
 - (2) other parties-in-interest, including creditors and interest holders;
 - (3) attorneys, other professionals and their staff acting on behalf of a party or a party-in-interest;
 - (4) witnesses;
 - (5) other persons necessary to conduct the hearing or trial; and
 - (6) other persons as specifically authorized by the Court.
- (b) The presiding judge’s individual procedures (accessible on that judge’s home page) determine whether remote participation is authorized. Those procedures may be varied by a case-specific order.
- (c) FED. R. CIV. P. 43 applies to the taking of testimony. If the Court determines that emergency consideration of a matter is required, witness testimony will be allowed remotely. In all other instances, the party choosing to call a witness to testify remotely must first demonstrate that good cause in compelling circumstances exists and that appropriate safeguards have been established.
 - (1) At a minimum, appropriate safeguards will include assurances that the witness will be giving testimony independently and with no assistance or coaching by others.
 - (2) Good cause in compelling circumstances may be shown:
 - (A) At the scheduled hearing or trial, by a demonstration of the good cause in compelling circumstances;
 - (B) By filing of a “Notice of Intent to Call Live Witness by Telephone and Video Technology” in the form published on the Court’s website at least 7 days prior to the scheduled hearing or trial. Any party-in-interest may object to the Notice within 3

⁴NOTE: Rule 9017-1 applies to hearings or trials scheduled for on or after September 21, 2023.

days of the filing of the Notice. If no party-in-interest files a timely objection, the witness will be allowed to testify remotely using the Court's audio and video connections. If a party-in-interest files a timely objection, the Court will rule on the objection prior to or at the scheduled hearing or trial.

- (C) If the Court does not authorize the testimony to be taken remotely, the Court will schedule a date for the witness's testimony. Both the witness and the objecting party-in-interest must appear in person at the scheduled date.
- (d) This rule supersedes General Orders 2020-4 and 2020-20. General Order 2021-5 is superseded only to the extent this Rule 9017-1 conflicts with General Order 2021-5.

Local Rule 9027-1. Removal.

P. 9027 and must (i) list all names and addresses of the parties, (ii) designate on which parties service of process has been accomplished, and (iii) list the name, address, and telephone number of the counsel for every party.

If, pursuant to Rule 9027(a)(1) of the Federal Rules of Bankruptcy Procedure, a notice of removal states that upon removal of the claim or cause of action the proceeding or any part of it is core, the notice shall also state that the party removing the proceeding does or does not consent to the entry of final orders or judgment by the bankruptcy judge if it is determined that the bankruptcy judge, absent consent of the parties, cannot enter final orders or judgment consistent with Article III of the United States Constitution.

Local Rule 9027-3. Statement Regarding Consent to Entry of Orders or Judgment in Core Proceeding.

If a statement filed pursuant to Rule 9027(e)(3) by a party who filed a pleading in connection with a removed claim or cause of action, other than the party filing the notice of removal, states that the proceeding or any part of it is core, the party shall also state that the party does or does not consent to the entry of final orders or judgment by the bankruptcy judge if it is determined that the bankruptcy judge, absent consent of the parties, cannot enter final orders or judgment consistent with Article III of the United States Constitution.

If the Court determines that it cannot enter a final order or judgment consistent with Article III of the United States Constitution in a particular proceeding referred to the Court and designated as core under section 157(b) of title 28, and the Court hears the proceeding, Rule 9033(a), (b), and (c) of the Federal Rules of Bankruptcy Procedure shall apply as if it is a non-core proceeding.

Local Rule 9037-1. Sealed Documents.

- (a) The sealing of documents is discouraged.
- (b) Certain documents are routinely redacted to remove personal identifying information or other content that is not relevant to a decision by the Court. In those instances, (i) the document may be filed in redacted form only; (ii) no document should be filed that contains the redacted information; and (iii) the balance of this Rule 5003-1 does not apply.
- (c) A motion, reply, or other document may initially be filed under seal if the filing party simultaneously files a motion requesting that the document be maintained under seal. The document must be filed using the correct CM/ECF code for the filing of a sealed document. The filing party should notify the Case Manager if a motion to seal is filed.
- (d) In some instances, it may be practicable to redact relevant confidential information from a document, and to file the redacted document in the public record. In those instances, (i) a redacted document should be filed, not under seal; and (ii) the unredacted document should simultaneously be filed, under seal.
- (e) A document filed under seal will be kept by the clerk in electronic form but will be viewable only by the bankruptcy judges and staff.
- (f) Documents filed under seal must be served by the filing party by e-mail and conventional means on parties-in-interest entitled to receive the sealed document.

- (g) A motion to seal the document must be filed in the public record and served as any other motion. The motion to seal must state whether a redacted version of the document has been filed.
- (h) Instructions for filing documents under seal are on the Court's web site.
- (i) After reviewing the motion to seal, the Court may order appropriate relief, including the unsealing of the document.
