0541-27-42	Sex Offender Treatment	Nueces, Aransas & Kleberg Counties

0541-27-56	Sex Offender Treatment	Hidalgo County
0541-27-65	Sex Offender Treatment	Webb & Zapata Counties

The offeror would provide services for male and female (unless noted otherwise under Local Services) federal defendants/persons under supervision who have been ordered by the Court to participate in treatment. These individuals include persons on pretrial status, probation, supervised release, or parole, who are under supervision of the United States Probation Office.

For proposals which include Urine Collection, the vendor shall develop and operate an automated phone notification system for random urine collections. Urine specimens collected under the above agreements are analyzed by a regional laboratory in San Antonio, Texas. Upon award, the U.S. Probation Office will provide collection supplies including vials, tamper seals, specimen bags, and shipping boxes with pre-paid postage labels.

Request for Proposals (RFPs) can be found at: <https://www.tx.uscourts.gov/page/request-proposals-fy27>
The RFP contains the full text of all applicable Government regulations, and all offerors are subject to the provisions contained in the RFP. In responding to the RFP, you should answer each item and supply all information requested.

Section L provides specific directions for potential offerors in completing the proposal. **The offeror should fully read Section L and follow the directions set forth.** The minimum standards for the services listed are contained in the Clauses and Terms of Agreement. All proposals will be evaluated by the criterion explained in Section M. Note if you intend to subcontract any services, instructions are included in Section L the offeror should follow.

If you have any questions regarding the RFP, please submit your questions in writing to: Solicitation@txsp.uscourts.gov. All questions are due by 5:00 p.m. on Friday, July 10, 2026.

Proposals will be awarded on the basis of initial offers submitted, and each initial offer should contain your organization's best terms from a cost and technical standpoint. There will be no additional opportunity to modify your proposal.

Please read the RFP carefully; do not rely on knowledge of previous RFPs, or knowledge of previous Federal procurement procedures. *As a reminder, the offeror must have a physical site within the catchment area, which will be evaluated during an on-site visit.* (Note: a catchment area may consist of multiple counties/zip codes, in which case the offeror must have a physical site within at least one of the counties/zip codes identified in that catchment area).

An offeror must be capable of providing **all** services identified in Section B, including local services identified at the end of Section C, and must have a physical site located within the geographic area identified in Section B. If the offeror is unable to provide a service identified in Section B and does not identify/subcontract with someone to provide the service, the offeror will be technically unacceptable.

The estimated monthly quantity listed in Section B of the RFP is the estimate of the services to be provided during the terms of this agreement. **It is only an estimate.**

Although the Government may choose to enter into a Blanket Purchase Agreement with multiple offerors, the Government reserves the right to award a single offeror.

The term for this Blanket Purchase Agreement is twelve (12) months with a start date of October 1, 2026, with a provision that shall allow the Government to unilaterally extend the agreement for an additional four (4) years, at four (4) twelve (12) month intervals, at the Government's discretion.

Proposals are due by 5:00 p.m. on Friday, July 24, 2026. Proposals shall be e-mailed in PDF format to: Solicitation@txsp.uscourts.gov. All e-mail submissions must reference in the subject line, the Solicitation number indicated in Section A, Block 1 of the Solicitation/Offer/Acceptance. Hard copies will not be accepted. It is the responsibility of the offeror to confirm the Government's receipt of the proposal.

All proposals must be signed by a representative authorized to commit the offeror to contractual obligations. Electronic signatures are accepted.

A copy of the Blanket Purchase Agreement, Clauses and Terms of Agreement, should be retained by the offeror for their files.

SAVE THE DATE: A virtual **Pre-Solicitation Conference** will be held on **June 29, 2026, at 9:00 a.m.** via Microsoft Teams. During this session, attendees will receive guidance on the proposal submission process and will have the opportunity to engage directly with Contracting Officers. For those unable to attend, a recording of the conference, including all questions and responses, will be posted on the Treatment Services website. Attendance is not required but strongly encouraged.

Sincerely,

Arely S. Jimenez Elizabeth Martinez Dana Peña
