Nathan Ochsner, Clerk of Court

By Deputy Clerk

UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF TEXAS  
LAREDO DIVISION

IN RE: COURT OPERATIONS IN THE §  
LAREDO DIVISION UNDER THE §  
EXIGENT CIRCUMSTANCES §  
CREATED BY THE COVID-19 §  
PANDEMIC §

SPECIAL ORDER L-2021-5

SUPPLEMENTAL ORDER

This Order applies in the Laredo Division of the Southern District of Texas and supplements and incorporates by reference the previously entered special orders. The Court enters the following:

1. The George P. Kazen Federal Building and United States Courthouse in Laredo, Texas remains closed to the public until further notice (Special Order L-2020-6). Upon reopening, or at any time prior, the public, employees, and contractors who enter the federal courthouse must wear a mask or face covering in public areas and in shared workspaces where social distancing is not possible. The U.S. Marshal Service may exclude from the courthouse anyone who does not wear a mask or maintain social distancing. Masks are not available at the courthouse. Each person entering the courthouse must therefore provide his/her own mask.

2. All jury trials (criminal and civil) scheduled to begin from this date through April 5, 2021, are continued, to a date reset by each presiding judge. Those continuances do not affect any deadlines other than the jury trial dates. Attorneys should contact the presiding judges in their cases if they want to modify other deadlines.

3. Due to the court's reduced ability to obtain an adequate spectrum of jurors and due to the reduced availability of attorneys and court staff to be present in courtrooms because of the public-health risks, the periods of the continuances implemented by this order are excluded under the Speedy Trial Act, 18 U.S.C § 3161 (h)(7)(A). The court finds that the ends of justice served by ordering these continuances outweigh the interest of the public and of each

defendant in a speedy trial. Indeed, the best interests of the public are served by these continuances.

4. Unless the parties in a particular case are notified otherwise, guilty plea proceedings scheduled to take place through April 5, 2021, are continued to a date to be reset by each presiding judge. The time period of the continuances and delay in setting guilty plea proceedings as implemented by this Order are excluded under the Speedy Trial Act, 18 U.S.C. § 3161(h). The Court finds that the ends of justice served by ordering these continuances and delays outweigh the best interests of the public and each defendant's right to a speedy trial.

5. Individual judges may continue to hold bench trials, in-person hearings, sentencing proceedings, scheduling conferences, and other court proceedings. Counsel may seek relief by appropriate requests or motions. The use of telephone or video conferencing in these proceedings is encouraged when feasible, deemed appropriate by the presiding judge, and permitted by legal and technology constraints.

6. This Order does not impact any judge's continuing discretion to consider and decide particular matters on the pleadings alone. This Order is intended to give each judge discretion to handle his or her docket on a case-by-case basis, aside from the general continuance of jury trials ordered above.

7. Magistrate judges will continue to preside over criminal and civil matters, other than jury trials, including initial appearances, arraignments, detention hearings, the issuance of warrants, and referred civil matters.

8. Any judge may limit the number of individuals present in a courtroom, as circumstances warrant.

9. Any events involving the court that are not case-specific, including continuing legal-education courses, public tours, administration of oaths to attorneys, and naturalization

ceremonies conducted by the court, scheduled to occur between this date and April 5, 2021 are canceled. They will be rescheduled as appropriate.

10. This Order does not apply to Bankruptcy Court proceedings. Separate Bankruptcy Court Orders address those proceedings.

11. Unless extended, this Order remains in effect through April 5, 2021. It will expire on April 6, 2021 absent further order or action.

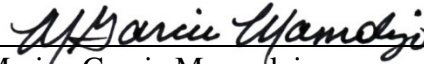

12. Our court will continue to meet its constitutional obligations while taking steps to protect the public and our employees.

Signed this 2<sup>nd</sup> day of March, 2021.
