

Classes in August

SER provides in-demand occupational training programs that result in industry-recognized credentials that launch long-term careers.

CONSTRUCTION – AUGUST 10, 2020

(Deadline August 5th)

This unique training combines the NCCER with safety in the workplace (OSHA-10) and adds a hands on project deliverable. This is a 3 week hybrid training, with virtual learning alternating with in person practices.

For more info: serhouston.org/construction

FORKLIFT – AUGUST 17

(Deadline August 10th)

This two-week hybrid course provides the ability to safely use and maintain hydraulic lifting equipment (forklifts). Virtual and in person learning take place.
